Twice Born Ministry Bible School — Layer 4 Career Tracks

Course Modules

PM-GRANT-101 — Lesson 1: Stewardship of Grants

Introduction

Welcome to Lesson 1 of **Grant Writing for Ministries & Nonprofits** (PM-GRANT-101). This session explores **Stewardship of Grants** within the **Track B — Business / Entrepreneur** pathway at Twice Born Ministry Bible School.

This career track applies *Kingdom Capital* (TBM) themes to entrepreneurship without prosperity gospel error. When secular MBA models conflict with Scripture, students learn to choose faithfulness over shortcuts.

This is **Layer 4 — Career Tracks** content at college level (or high school dual-enrollment where noted). The King James Version remains the citation standard for all scripture. Complete BS-FND-100 or listed prerequisites before advanced modules.

Pray for wisdom before studying. Career competence without Christ-centered character produces skilled workers who build on sand. We pursue excellence **as unto the Lord** (Colossians 3:23).

Christian Ethics Integration — Dignity

So God created man in his own image (Genesis 1:27, KJV). Patients, employees, tenants, and citizens bear dignity that policies must protect.

Apply this principle while studying **Stewardship of Grants**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

Core Teaching

Theme: Stewardship of Grants

Whatsoever ye do, do it heartily, as to the Lord, and not unto men (Colossians 3:23, KJV). Vocation—whether pulpit, plumbing, or programming—is worship when offered unto Christ.

No man can serve two masters: ye cannot serve God and mammon (Matthew 6:24, KJV). Financial success without spiritual allegiance is idolatry. Stewardship disciplines keep mammon in its place.

Practical Focus

Faithful fundraising writing for church plants and nonprofit grant seekers.

Competency targets for this lesson:

- Define key terms and industry-standard vocabulary at introductory level.
- Identify biblical principles that govern ethical decisions in this domain.
- Complete hands-on or scenario-based exercises in assignments and quizzes.
- Connect vocational skills to local church ministry or community service where applicable.

Professional Standards

Career track courses prepare students for further education, certification programs, or bi-vocational ministry—they do not replace licensure, trade union apprenticeships, CPA/legal counsel, or seminary ordination tracks unless explicitly stated in prerequisites.

Application for Vocation and Ministry

Stewardship of Grants should change how you work, lead, serve customers, and witness.

Business practice: Apply lesson concepts to a real or simulated venture. Document decisions in your Kingdom Business journal.

Personal devotion: Write a brief prayer connecting today's vocational theme to Christ's lordship over your schedule, income, and relationships.

Local church: Share one insight with your pastor, deacon team, or small group—especially where bi-vocational ministry applies.

Evangelism: Prepare a 60-second testimony linking honest work or digital stewardship to the gospel hope you profess.

Lab, Scenario, or Field Exercise

Exercise 1: Analyze a business case where profit conflicts with truth. Write a decision memo citing Proverbs and course readings.

Document assumptions, resources consulted, and limitations. Submit via LMS with honor statement. Supervised field hours may count toward capstone portfolios where approved by cohort facilitator.

Discussion Questions

How does **Stewardship of Grants** align with Colossians 3:23 ("as to the Lord")?

What secular practice in this field most often conflicts with biblical ethics?

Which prerequisite course or TBM resource best supports this lesson?

How would you teach this topic to a high school dual-enrollment student?

What is one measurable action you will take this week based on this lesson?

Summary and Next Steps

Lesson 1 Summary: We examined **Stewardship of Grants** through scripture, vocational standards, and ministry application.

Action item: Complete the module quiz (70% to pass) and begin assignment work if due this week.

Preview: Continue to Lesson 2. Review SPECIALIZATION_SOURCES.md or Kingdom Capital / TBM Marketing docs as listed in your syllabus.

Soli Deo gloria — whether ye eat or drink, or whatsoever ye do, do all to the glory of God (1 Corinthians 10:31).

Supplemental Reading and Reflection

Assign one chapter from a standard systematic theology textbook or equivalent lecture notes. Summarize the author's definitions, note where Scripture proofs appear, and evaluate whether the Bible truly supports each claim. Theology students must read widely yet judge all teaching by the Word. Write a half-page response connecting supplemental reading to this lesson's theme.

Worship Integration

Select a hymn or worship song rich in biblical doctrine (e.g., "Holy, Holy, Holy," "And Can It Be," "A Mighty Fortress"). Analyze its lyrics for theological accuracy in light of this lesson. Lead family worship using that hymn, reading one supporting passage before singing. Theology should enliven corporate praise, not remain abstract.

Ministry Case Study

Imagine a congregant confused about this lesson's topic after watching online teaching that contradicts historic evangelical doctrine. Draft a pastoral response email that (1) expresses empathy, (2) clarifies biblical teaching with two references, (3) invites in-person conversation, and (4) avoids condescension. Pastoral communication is part of theological training, not an optional soft skill.

Historical Figure Spotlight

Research one defender of orthodoxy related to this doctrine—Augustine, Athanasius, Luther, Calvin, Spurgeon, or a modern missionary martyr. Write 150 words on how their context shaped their emphasis. Standing on their shoulders, we inherit confessions forged in controversy. Imitate their courage and Scripture saturation, not necessarily every cultural application.

So God created man in his own image (Genesis 1:27, KJV). Patients, employees, tenants, and citizens bear dignity that policies must protect.

Core Teaching

Theme: Logic Models

No man can serve two masters: ye cannot serve God and mammon (Matthew 6:24, KJV). Financial success without spiritual allegiance is idolatry. Stewardship disciplines keep mammon in its place.

A good name is rather to be chosen than great riches (Proverbs 22:1, KJV). Kingdom business ethics begin with reputation rooted in integrity, not merely quarterly metrics.

Practical Focus

Faithful fundraising writing for church plants and nonprofit grant seekers.

Competency targets for this lesson:

- Define key terms and industry-standard vocabulary at introductory level.
- Identify biblical principles that govern ethical decisions in this domain.
- Complete hands-on or scenario-based exercises in assignments and quizzes.
- Connect vocational skills to local church ministry or community service where applicable.

Professional Standards

Career track courses prepare students for further education, certification programs, or bi-vocational ministry—they do not replace licensure, trade union apprenticeships, CPA/legal counsel, or seminary ordination tracks unless explicitly stated in prerequisites.

Application for Vocation and Ministry

Logic Models should change how you work, lead, serve customers, and witness.

Business practice: Apply lesson concepts to a real or simulated venture. Document decisions in your Kingdom Business journal.

Personal devotion: Write a brief prayer connecting today's vocational theme to Christ's lordship over your schedule, income, and relationships.

Local church: Share one insight with your pastor, deacon team, or small group—especially where bi-vocational ministry applies.

Evangelism: Prepare a 60-second testimony linking honest work or digital stewardship to the gospel hope you profess.

Lab, Scenario, or Field Exercise

Exercise 4: Analyze a business case where profit conflicts with truth. Write a decision memo citing Proverbs and course readings.

Document assumptions, resources consulted, and limitations. Submit via LMS with honor statement. Supervised field hours may count toward capstone portfolios where approved by cohort facilitator.

Discussion Questions

How does **Logic Models** align with Colossians 3:23 ("as to the Lord")?

What secular practice in this field most often conflicts with biblical ethics?

Which prerequisite course or TBM resource best supports this lesson?

How would you teach this topic to a high school dual-enrollment student?

What is one measurable action you will take this week based on this lesson?

Summary and Next Steps

Lesson 4 Summary: We examined **Logic Models** through scripture, vocational standards, and ministry application.

Action item: Complete the module quiz (70% to pass) and begin assignment work if due this week.

Soli Deo gloria — whether ye eat or drink, or whatsoever ye do, do all to the glory of God (1 Corinthians 10:31).

Historical Figure Spotlight

Research one defender of orthodoxy related to this doctrine—Augustine, Athanasius, Luther, Calvin, Spurgeon, or a modern missionary martyr. Write 150 words on how their context shaped their emphasis. Standing on their shoulders, we inherit confessions forged in controversy. Imitate their courage and Scripture saturation, not necessarily every cultural application.

Supplemental Reading and Reflection

Assign one chapter from a standard systematic theology textbook or equivalent lecture notes. Summarize the author's definitions, note where Scripture proofs appear, and evaluate whether the Bible truly supports each claim. Theology students must read widely yet judge all teaching by the Word. Write a half-page response connecting supplemental reading to this lesson's theme.

Draft a pastoral response email that (1) expresses empathy, (2) clarifies biblical teaching with two references, (3) invites in-person conversation, and (4) avoids condescension. Select a hymn or worship song rich in biblical doctrine (e.g., "Holy, Holy, Holy," "And Can It Be," "A Mighty Fortress"). Analyze its lyrics for theological accuracy in light of this lesson. PM-GRANT-101 — Lesson 5: Budgets

Introduction

Welcome to Lesson 5 of **Grant Writing for Ministries & Nonprofits** (PM-GRANT-101). This session explores **Budgets** within the **Track B — Business / Entrepreneur** pathway at Twice Born Ministry Bible School.

This career track applies *Kingdom Capital* (TBM) themes to entrepreneurship without prosperity gospel error. When secular MBA models conflict with Scripture, students learn to choose faithfulness over shortcuts.

This is **Layer 4 — Career Tracks** content at college level (or high school dual-enrollment where noted). The King James Version remains the citation standard for all scripture. Complete BS-FND-100 or listed prerequisites before advanced modules.

Pray for wisdom before studying. Career competence without Christ-centered character produces skilled workers who build on sand. We pursue excellence **as unto the Lord** (Colossians 3:23).

Christian Ethics Integration — Justice

He hath shewed thee, O man, what is good; to do justly, and to love mercy (Micah 6:8, KJV). Legal and policy study serves neighbor-love, not partisan idolatry.

Apply this principle while studying **Budgets**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

Ministry Case Study

Imagine a congregant confused about this lesson's topic after watching online teaching that contradicts historic evangelical doctrine. Draft a pastoral response email that (1) expresses empathy, (2) clarifies biblical teaching with two references, (3) invites in-person conversation, and (4) avoids condescension. Pastoral communication is part of theological training, not an optional soft skill.

Historical Figure Spotlight

Research one defender of orthodoxy related to this doctrine—Augustine, Athanasius, Luther, Calvin, Spurgeon, or a modern missionary martyr. Write 150 words on how their context shaped their emphasis. Standing on their shoulders, we inherit confessions forged in controversy. Imitate their courage and Scripture saturation, not necessarily every cultural application.

PM-GRANT-101 — Lesson 8: Foundation Relations

Introduction

Welcome to Lesson 8 of **Grant Writing for Ministries & Nonprofits** (PM-GRANT-101). This session explores **Foundation Relations** within the **Track B — Business / Entrepreneur** pathway at Twice Born Ministry Bible School.

This career track applies *Kingdom Capital* (TBM) themes to entrepreneurship without prosperity gospel error. When secular MBA models conflict with Scripture, students learn to choose faithfulness over shortcuts.

This is **Layer 4 — Career Tracks** content at college level (or high school dual-enrollment where noted). The King James Version remains the citation standard for all scripture. Complete BS-FND-100 or listed prerequisites before advanced modules.

Pray for wisdom before studying. Career competence without Christ-centered character produces skilled workers who build on sand. We pursue excellence **as unto the Lord** (Colossians 3:23).

Christian Ethics Integration — Justice

He hath shewed thee, O man, what is good; to do justly, and to love mercy (Micah 6:8, KJV). Legal and policy study serves neighbor-love, not partisan idolatry.

Apply this principle while studying **Foundation Relations**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

Core Teaching

Theme: Foundation Relations

A good name is rather to be chosen than great riches (Proverbs 22:1, KJV). Kingdom business ethics begin with reputation rooted in integrity, not merely quarterly metrics.

Whatsoever ye do, do it heartily, as to the Lord, and not unto men (Colossians 3:23, KJV). Vocation—whether pulpit, plumbing, or programming—is worship when offered unto Christ.

Practical Focus

Faithful fundraising writing for church plants and nonprofit grant seekers.

Competency targets for this lesson:

- Define key terms and industry-standard vocabulary at introductory level.
- Identify biblical principles that govern ethical decisions in this domain.
- Complete hands-on or scenario-based exercises in assignments and quizzes.
- Connect vocational skills to local church ministry or community service where applicable.

Professional Standards

Career track courses prepare students for further education, certification programs, or bi-vocational ministry—they do not replace licensure, trade union apprenticeships, CPA/legal counsel, or seminary ordination tracks unless explicitly stated in prerequisites.

TBM & Catalog Cross-References

- Luke 16:10-11 (KJV)

- BUS-706

Application for Vocation and Ministry

Foundation Relations should change how you work, lead, serve customers, and witness.

Business practice: Apply lesson concepts to a real or simulated venture. Document decisions in your Kingdom Business journal.

Personal devotion: Write a brief prayer connecting today's vocational theme to Christ's lordship over your schedule, income, and relationships.

Local church: Share one insight with your pastor, deacon team, or small group—especially where bi-vocational ministry applies.

Evangelism: Prepare a 60-second testimony linking honest work or digital stewardship to the gospel hope you profess.

Lab, Scenario, or Field Exercise

Exercise 8: Analyze a business case where profit conflicts with truth. Write a decision memo citing Proverbs and course readings.

Document assumptions, resources consulted, and limitations. Submit via LMS with honor statement. Supervised field hours may count toward capstone portfolios where approved by cohort facilitator.

Discussion Questions

How does **Foundation Relations** align with Colossians 3:23 ("as to the Lord")?

What secular practice in this field most often conflicts with biblical ethics?

Which prerequisite course or TBM resource best supports this lesson?

How would you teach this topic to a high school dual-enrollment student?

What is one measurable action you will take this week based on this lesson?

Summary and Next Steps

Lesson 8 Summary: We examined **Foundation Relations** through scripture, vocational standards, and ministry application.

Action item: Complete the module quiz (70% to pass) and begin assignment work if due this week.

Preview: Continue to Lesson 9. Review SPECIALIZATION_SOURCES.md or Kingdom Capital / TBM Marketing docs as listed in your syllabus.

PM-GRANT-101 — Lesson 9: Reporting

Christian Ethics Integration — Stewardship

The earth is the LORD's, and the fulness thereof (Psalm 24:1, KJV). Every vocation—accounting, medicine, media, or cloud engineering—is borrowed stewardship.

Apply this principle while studying **Reporting**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

Core Teaching

Theme: Reporting

No man can serve two masters: ye cannot serve God and mammon (Matthew 6:24, KJV). Financial success without spiritual allegiance is idolatry. Stewardship disciplines keep mammon in its place.

Pastoral communication is part of theological training, not an optional soft skill.

Ministry Case Study

Imagine a congregant confused about this lesson's topic after watching online teaching that contradicts historic evangelical doctrine. Draft a pastoral response email that (1) expresses empathy, (2) clarifies biblical teaching with two references, (3) invites in-person conversation, and (4) avoids condescension. Pastoral communication is part of theological training, not an optional soft skill.

Historical Figure Spotlight

Research one defender of orthodoxy related to this doctrine—Augustine, Athanasius, Luther, Calvin, Spurgeon, or a modern missionary martyr. Write 150 words on how their context shaped their emphasis. Standing on their shoulders, we inherit confessions forged in controversy. Imitate their courage and Scripture saturation, not necessarily every cultural application.

Supplemental Reading and Reflection

Assign one chapter from a standard systematic theology textbook or equivalent lecture notes. Summarize the author's definitions, note where Scripture proofs appear, and evaluate whether the Bible truly supports each claim. Theology students must read widely yet judge all teaching by the Word. Write a half-page response connecting supplemental reading to this lesson's theme.

PM-GRANT-101 — Lesson 11: Rejection and Persistence

Introduction

Welcome to Lesson 11 of **Grant Writing for Ministries & Nonprofits** (PM-GRANT-101). This session explores **Rejection and Persistence** within the **Track B — Business / Entrepreneur** pathway at Twice Born Ministry Bible School.

This career track applies *Kingdom Capital* (TBM) themes to entrepreneurship without prosperity gospel error. When secular MBA models conflict with Scripture, students learn to choose faithfulness over shortcuts.

This is **Layer 4 — Career Tracks** content at college level (or high school dual-enrollment where noted). The King James Version remains the citation standard for all scripture. Complete BS-FND-100 or listed prerequisites before advanced modules.

Pray for wisdom before studying. Career competence without Christ-centered character produces skilled workers who build on sand. We pursue excellence **as unto the Lord** (Colossians 3:23).

Christian Ethics Integration — Justice

He hath shewed thee, O man, what is good; to do justly, and to love mercy (Micah 6:8, KJV). Legal and policy study serves neighbor-love, not partisan idolatry.

Apply this principle while studying **Rejection and Persistence**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

Core Teaching

Theme: Rejection and Persistence

Whatsoever ye do, do it heartily, as to the Lord, and not unto men (Colossians 3:23, KJV). Vocation—whether pulpit, plumbing, or programming—is worship when offered unto Christ.

A good name is rather to be chosen than great riches (Proverbs 22:1, KJV). Kingdom business ethics begin with reputation rooted in integrity, not merely quarterly metrics.

Practical Focus

Faithful fundraising writing for church plants and nonprofit grant seekers.

Competency targets for this lesson:

- Define key terms and industry-standard vocabulary at introductory level.
- Identify biblical principles that govern ethical decisions in this domain.
- Complete hands-on or scenario-based exercises in assignments and quizzes.
- Connect vocational skills to local church ministry or community service where applicable.

Professional Standards

Career track courses prepare students for further education, certification programs, or bi-vocational ministry—they do not replace licensure, trade union apprenticeships, CPA/legal counsel, or seminary ordination tracks unless explicitly stated in prerequisites.

Application for Vocation and Ministry

Rejection and Persistence should change how you work, lead, serve customers, and witness.

Business practice: Apply lesson concepts to a real or simulated venture. Document decisions in your Kingdom Business journal.

Personal devotion: Write a brief prayer connecting today's vocational theme to Christ's lordship over your schedule, income, and relationships.

Local church: Share one insight with your pastor, deacon team, or small group—especially where bi-vocational ministry applies.

Evangelism: Prepare a 60-second testimony linking honest work or digital stewardship to the gospel hope you profess.

Lab, Scenario, or Field Exercise

Exercise 11: Analyze a business case where profit conflicts with truth. Write a decision memo citing Proverbs and course readings.

Document assumptions, resources consulted, and limitations. Submit via LMS with honor statement. Supervised field hours may count toward capstone portfolios where approved by cohort facilitator.

Discussion Questions

How does **Rejection and Persistence** align with Colossians 3:23 ("as to the Lord")?

What secular practice in this field most often conflicts with biblical ethics?

Which prerequisite course or TBM resource best supports this lesson?

How would you teach this topic to a high school dual-enrollment student?

What is one measurable action you will take this week based on this lesson?

Summary and Next Steps

Lesson 11 Summary: We examined **Rejection and Persistence** through scripture, vocational standards, and ministry application.

Action item: Complete the module quiz (70% to pass) and begin assignment work if due this week.

Preview: Continue to Lesson 12. Review SPECIALIZATION_SOURCES.md or Kingdom Capital / TBM Marketing docs as listed in your syllabus.

PM-GRANT-101 — Lesson 12: Capstone: Sample Proposal

Introduction

Welcome to Lesson 12 of **Grant Writing for Ministries & Nonprofits** (PM-GRANT-101). This session explores **Capstone: Sample Proposal** within the **Track B — Business / Entrepreneur** pathway at Twice Born Ministry Bible School.

This career track applies *Kingdom Capital* (TBM) themes to entrepreneurship without prosperity gospel error. When secular MBA models conflict with Scripture, students learn to choose faithfulness over shortcuts.

Christian Ethics Integration — Stewardship

The earth is the LORD's, and the fulness thereof (Psalm 24:1, KJV). Every vocation—accounting, medicine, media, or cloud engineering—is borrowed stewardship.

Apply this principle while studying **Capstone: Sample Proposal**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

Core Teaching

Theme: Capstone: Sample Proposal

Whatsoever ye do, do it heartily, as to the Lord, and not unto men (Colossians 3:23, KJV). Vocation—whether pulpit, plumbing, or programming—is worship when offered unto Christ.

No man can serve two masters: ye cannot serve God and mammon (Matthew 6:24, KJV). Financial success without spiritual allegiance is idolatry. Stewardship disciplines keep mammon in its place.

Faithful fundraising writing for church plants and nonprofit grant seekers.
