TBM-WV-101: Worldview Foundations: Eight Questions Framework

Course Description

Testing Every Worldview Ch 1-6

This Layer 3 course teaches from Twice Born Ministry published apologetics — extracting structure and evidence themes without replacing the source books. Students learn to test every claim by Scripture (Isaiah 8:20) and witness with charity.

Primary source book: Ten Worldviews, One Truth

This course is part of **Layer 3 — TBM Book Track** in the Twice Born Ministry Bible School catalog.

Course Details

Learning Outcomes

Upon completion, students will be able to:

- Summarize the source book's argument structure for this course segment.
- Defend course themes with KJV scripture using literal-grammatical-historical method.
- Distinguish biblical Christianity from the worldviews or practices examined.
- Apply lessons in witness practice, research, or stewardship as assigned.
- Complete module quizzes, assignments, and final exam at 70% or higher.

Module Structure

Each lesson (8–10 modules) maps to book chapters or thematic sections. Lessons include exposition, evidence notes, witness application, discussion prompts, and aligned quizzes.

Assessment Overview

- **Module quizzes:** JSON with embedded answer keys (70% pass).

- • **Assignments:** Witness practice, research papers (apologetics), or practical plans (wellness/stewardship).
- • **Group projects:** Debate teams and outreach planning where noted.
- • **Final exam:** Comprehensive written assessment.
- • **Video scripts:** 3–5 production-ready scripts including soul-winning demos for apologetics tracks.

Christian Guardrails

- • King James Bible as citation standard.
- • Oppose false doctrine; love people (Jude 22-23).
- • Source books inform structure; Scripture judges all claims.
- • Academic integrity required; AI assists study, not original witness logs.

TBM-WV-101 — Lesson 1: Why Worldviews Matter More Than Opinions

Introduction

Welcome to Lesson 1 of **Worldview Foundations: Eight Questions Framework**. This session covers **Why Worldviews Matter More Than Opinions**,

drawn from the structure of *Ten Worldviews, One Truth* in the **Worldviews Track** track. Complete BS-FND-100 before

advanced TBM courses; AP-501 is recommended for apologetics-heavy tracks.

Twice Born Ministry book-track courses teach *from* published manuscripts — organizing chapter themes into college-level lessons without replacing the books. Purchase or borrow the source volume for full citations, charts, and extended case studies referenced in class.

Pray for wisdom and love before studying contested topics. We contend for souls, not scoring debate points (Jude 3; 1 Peter 3:15).

Book Structure and Teaching Aim

Why Worldviews Matter More Than Opinions advances the source book's cumulative case. Students should identify:

- (1) the claim being tested, (2) the evidence standard applied, (3) the scripture anchor, and
- (4) the witness or stewardship application.

Chapter themes from source material:

- • The Pluralism Test
- • Why Christians Must Engage

Key passages in this section: Hebrews 9:27, Matthew 28:18, Acts 17:6

Concept summary (paraphrase): An opinion is what you prefer. A worldview is what you believe is real. Your worldview answers questions you cannot avoid: | Question | What It Means | |-----|-----| | Origin | Where did everything come from? | | Identity | What does it mean to be human? | | Meaning | Why are we here? | | Morality | How should we live? | | Destiny | What happens

after death? | You may never write these answers down. You live them anyway. Every vote, every purchase, every parenting decision, every moment of suffering assumes answers to these questions. The stakes: If Christianity is true, ignoring it is the most dangerous mistake a person can make. If atheism is...

Do not treat lesson summaries as a substitute for reading assigned book sections. Use this module to organize notes, prepare quizzes, and rehearse gospel conversations.

Scripture Exposition

Anchor **Why Worldviews Matter More Than Opinions** in the Word. Assigned references:

- **Hebrews 9:27** — read in context; note who speaks, to whom, and why.
- • **Matthew 28:18** — read in context; note who speaks, to whom, and why.
- • **Acts 17:6** — read in context; note who speaks, to whom, and why.

Exegesis steps: (1) Read the full paragraph. (2) Define key terms biblically. (3) Compare with clearer passages. (4) Apply to the worldview or practice under examination.

Witness Bridge

Prepare one question and one gospel statement from this lesson:

- • **Question:** "Have you ever tested that belief against Scripture alone?"
- • **Gospel bridge:** "Sin separates us from God; Christ died and rose — faith in Him is the answer."

Evidence, Logic, and Worldview Testing

Why Worldviews Matter More Than Opinions uses the TBM comparative method:

State the claim clearly — no straw men.

Identify the evidence standard — history, manuscript, prophecy, archaeology, logic.

Apply internal consistency tests — does the system contradict itself?

Apply external verification — history, science where relevant, fulfilled prophecy.

Scripture verdict — Isaiah 8:20; Acts 17:11.

Write a one-page comparison chart: "Their claim → Evidence offered → Biblical evaluation → Gospel opportunity."

Common Objections and Pastoral Responses

When teaching **Why Worldviews Matter More Than Opinions**, expect pushback:

- • **"You're attacking my family tradition."** — Affirm love; distinguish people from unbiblical doctrines.
- • **"All religions are the same."** — Ask which religion accounts for sin, the cross, and the empty tomb with evidence.
- • **"That's your interpretation."** — Point to plain reading in context; invite joint Bible study.
- • **"Christians are hypocrites."** — Agree sinners fail; Christ does not. Return to the gospel.

Draft a 150-word charitable response to one objection for your quiz preparation journal.

Witness and Ministry Application

Why Worldviews Matter More Than Opinions equips field witness:

- • **Personal:** Repent of condescension; ask God for love for the lost.
- • **Local church:** Propose one outreach night using this lesson's topic.
- • **Conversation:** Use two questions from the book section before presenting conclusions.
- • **Follow-up:** Offer a Bible, source book chapter, or next-week coffee continuation.

Role-play assignment: 5-minute dialogue with a partner playing a seeker from the target worldview.

Discussion Questions

How does **Why Worldviews Matter More Than Opinions** fit the source book's overall argument?

Which scripture was most decisive for you? Why?

Where might Christians misapply this material with pride or cruelty?

How would you teach this lesson to a high school homeschool cohort?

What gospel element (sin, cross, faith, response) must not be omitted in witness?

Summary and Next Steps

Lesson 1 organized *Ten Worldviews, One Truth* material on **Why Worldviews Matter More Than Opinions**. Complete the module

quiz (70% to advance), update your witness or stewardship journal, and preview the next lesson's reading assignment.

Supplemental Reading and Reflection

Assign one chapter from a standard systematic theology textbook or equivalent lecture notes. Summarize the author's definitions, note where Scripture proofs appear, and evaluate whether the Bible truly supports each claim. Theology students must read widely yet judge all teaching by the Word. Write a half-page response connecting supplemental reading to this lesson's theme.

Ministry Case Study

Imagine a congregant confused about this lesson's topic after watching online teaching that contradicts historic evangelical doctrine. Draft a pastoral response email that (1) expresses empathy, (2) clarifies biblical teaching with two references, (3) invites in-person conversation, and (4) avoids condescension. Pastoral communication is part of theological training, not an optional soft skill.

Historical Figure Spotlight

Research one defender of orthodoxy related to this doctrine—Augustine, Athanasius, Luther, Calvin, Spurgeon, or a modern missionary martyr. Write 150 words on how their context shaped their emphasis. Standing on their shoulders, we inherit confessions forged in controversy. Imitate their courage and Scripture saturation, not necessarily every cultural application.

Lead family worship using that hymn, reading one supporting passage before singing. Theology should enliven corporate praise, not remain abstract.

Theology students must read widely yet judge all teaching by the Word. Write a half-page response connecting supplemental reading to this lesson's theme.

Ministry Case Study

Imagine a congregant confused about this lesson's topic after watching online teaching that contradicts historic evangelical doctrine. Draft a pastoral response email that (1) expresses empathy, (2) clarifies biblical teaching with two references, (3) invites in-person conversation, and (4) avoids condescension. Research one defender of orthodoxy related to this doctrine—Augustine, Athanasius, Luther, Calvin, Spurgeon, or a modern missionary martyr. Write 150 words on how their context shaped their emphasis. Standing on their shoulders, we inherit confessions forged in controversy. Imitate their courage and Scripture saturation, not necessarily every cultural application.

TBM-WV-101 — Lesson 4: Law of Non-Contradiction and Truth

Introduction

Welcome to Lesson 4 of **Worldview Foundations: Eight Questions Framework**. This session covers **Law of Non-Contradiction and Truth**,

drawn from the structure of *Ten Worldviews, One Truth* in the **Worldviews Track** track. Complete BS-FND-100 before

advanced TBM courses; AP-501 is recommended for apologetics-heavy tracks.

Twice Born Ministry book-track courses teach *from* published manuscripts — organizing chapter themes into college-level lessons without replacing the books. Purchase or borrow the source volume for full citations, charts, and extended case studies referenced in class.

Pray for wisdom and love before studying contested topics. We contend for souls, not scoring debate points (Jude 3; 1 Peter 3:15).

Book Structure and Teaching Aim

Law of Non-Contradiction and Truth advances the source book's cumulative case. Students should identify:

- (1) the claim being tested, (2) the evidence standard applied, (3) the scripture anchor, and
- (4) the witness or stewardship application.

Chapter themes from source material:

- Truth is not what works for you. Truth is what **corresponds to reality** — what is actually the case.
- The law of non-contradiction (A cannot be both A and not-A in the same sense at the same time) is presupposed by every rational thought, every scientific experiment, and every court...
- **Implications for religion:** - If Jesus rose from the dead, Islam's denial of the crucifixion (Quran 4:157) is false on that point. - If God is eternally one (Deuteronomy 6:4), M...

Key passages in this section: Quran 4:157, Deuteronomy 6:4

Concept summary (paraphrase): Truth is not what works for you. Truth is what corresponds to reality — what is actually the case. The law of non-contradiction (A cannot be both A and not-A in the same sense at the same time) is presupposed by every rational thought, every scientific experiment, and every court of law. Even the statement "there is no absolute truth" claims to be absolutely true — a self-refuting contradiction. Implications for religion: - If Jesus rose from the dead, Islam's denial of the crucifixion (Quran 4:157) is false on that point. - If God is eternally one (Deuteronomy 6:4), Mormon progression to godhood contradicts Scripture. - If consciousness is real and not reducible to matter, strict materialism fails. We test...

Do not treat lesson summaries as a substitute for reading assigned book sections. Use this module to organize notes, prepare quizzes, and rehearse gospel conversations.

Scripture Exposition

Anchor **Law of Non-Contradiction and Truth** in the Word. Assigned references:

- **Quran 4:157** — read in context; note who speaks, to whom, and why.
- • **Deuteronomy 6:4** — read in context; note who speaks, to whom, and why.

Exegesis steps: (1) Read the full paragraph. (2) Define key terms biblically. (3) Compare with clearer passages. (4) Apply to the worldview or practice under examination.

Witness Bridge

Prepare one question and one gospel statement from this lesson:

- • **Question:** "Have you ever tested that belief against Scripture alone?"
- • **Gospel bridge:** "Sin separates us from God; Christ died and rose — faith in Him is the answer."

Evidence, Logic, and Worldview Testing

Law of Non-Contradiction and Truth uses the TBM comparative method:

State the claim clearly — no straw men.

Identify the evidence standard — history, manuscript, prophecy, archaeology, logic.

Apply internal consistency tests — does the system contradict itself?

Apply external verification — history, science where relevant, fulfilled prophecy.

Scripture verdict — Isaiah 8:20; Acts 17:11.

Write a one-page comparison chart: "Their claim → Evidence offered → Biblical evaluation → Gospel opportunity."

Common Objections and Pastoral Responses

When teaching **Law of Non-Contradiction and Truth**, expect pushback:

- • **"You're attacking my family tradition."** — Affirm love; distinguish people from unbiblical doctrines.
- • **"All religions are the same."** — Ask which religion accounts for sin, the cross, and the empty tomb with evidence.
- • **"That's your interpretation."** — Point to plain reading in context; invite joint Bible study.
- • **"Christians are hypocrites."** — Agree sinners fail; Christ does not. Return to the gospel.

Draft a 150-word charitable response to one objection for your quiz preparation journal.

Witness and Ministry Application

Law of Non-Contradiction and Truth equips field witness:

- **Personal:** Repent of condescension; ask God for love for the lost.
- **Local church:** Propose one outreach night using this lesson's topic.
- **Conversation:** Use two questions from the book section before presenting conclusions.
- **Follow-up:** Offer a Bible, source book chapter, or next-week coffee continuation.

Role-play assignment: 5-minute dialogue with a partner playing a seeker from the target worldview.

Discussion Questions

How does **Law of Non-Contradiction and Truth** fit the source book's overall argument?

Which scripture was most decisive for you? Why?

Where might Christians misapply this material with pride or cruelty?

How would you teach this lesson to a high school homeschool cohort?

What gospel element (sin, cross, faith, response) must not be omitted in witness?

Concept summary (paraphrase): Arrogance claims superiority without evidence. Confidence claims truth supported by evidence. Christianity invites investigation: "Test everything" (1 Thessalonians 5:21). Guidelines for engagement: 1. Listen first. Understand before you answer (Proverbs 18:13). 2. Represent their view fairly. Ask: "Did I understand you correctly?" 3. Use questions. Jesus asked 300+ questions in the Gospels. 4. Separate the person from the idea. Love the image-bearer; critique the idol. 5. Point to Christ, not just away from error. Apologetics serves evangelism. 6. Pray. Only the Holy Spirit converts (John 16:8). ---

Pastoral communication is part of theological training, not an optional soft skill.

Ministry Case Study

Imagine a congregant confused about this lesson's topic after watching online teaching that contradicts historic evangelical doctrine. Draft a pastoral response email that (1) expresses empathy, (2) clarifies biblical teaching with two references, (3) invites in-person conversation, and (4) avoids condescension. Pastoral communication is part of theological training, not an optional soft skill.

Historical Figure Spotlight

Research one defender of orthodoxy related to this doctrine—Augustine, Athanasius, Luther, Calvin, Spurgeon, or a modern missionary martyr. Write 150 words on how their context shaped their emphasis. Standing on their shoulders, we inherit confessions forged in controversy. Imitate their courage and Scripture saturation, not necessarily every cultural application.

Worship Integration

Select a hymn or worship song rich in biblical doctrine (e.g., "Holy, Holy, Holy," "And Can It Be," "A Mighty Fortress"). Analyze its lyrics for theological accuracy in light of this lesson. Lead family worship using that hymn, reading one supporting passage before singing. Theology should enliven corporate praise, not remain abstract.

TBM-WV-101 — Lesson 7: Building Your Comparison Grid

Introduction

Welcome to Lesson 7 of **Worldview Foundations: Eight Questions Framework**. This session covers **Building Your Comparison Grid**,

drawn from the structure of *Ten Worldviews, One Truth* in the **Worldviews Track** track. Complete BS-FND-100 before

advanced TBM courses; AP-501 is recommended for apologetics-heavy tracks.

Twice Born Ministry book-track courses teach *from* published manuscripts — organizing chapter themes into college-level lessons without replacing the books. Purchase or borrow the source volume for full citations, charts, and extended case studies referenced in class.

Pray for wisdom and love before studying contested topics. We contend for souls, not scoring debate points (Jude 3; 1 Peter 3:15).

Book Structure and Teaching Aim

Building Your Comparison Grid advances the source book's cumulative case. Students should identify:

- (1) the claim being tested, (2) the evidence standard applied, (3) the scripture anchor, and
- (4) the witness or stewardship application.

Do not treat lesson summaries as a substitute for reading assigned book sections. Use this module to organize notes, prepare quizzes, and rehearse gospel conversations.

Scripture Exposition

Anchor **Building Your Comparison Grid** in the Word. Assigned references:

- **Isaiah 8:20** — read in context; note who speaks, to whom, and why.
- • **Acts 17:11** — read in context; note who speaks, to whom, and why.
- • **2 Timothy 3:16-17** — read in context; note who speaks, to whom, and why.

Exegesis steps: (1) Read the full paragraph. (2) Define key terms biblically. (3) Compare with clearer passages. (4) Apply to the worldview or practice under examination.

Witness Bridge

Prepare one question and one gospel statement from this lesson:

- • **Question:** "Have you ever tested that belief against Scripture alone?"
- • **Gospel bridge:** "Sin separates us from God; Christ died and rose — faith in Him is the answer."

Evidence, Logic, and Worldview Testing

Building Your Comparison Grid uses the TBM comparative method:

State the claim clearly — no straw men.

Identify the evidence standard — history, manuscript, prophecy, archaeology, logic.

Apply internal consistency tests — does the system contradict itself?

Apply external verification — history, science where relevant, fulfilled prophecy.

Scripture verdict — Isaiah 8:20; Acts 17:11.

Write a one-page comparison chart: "Their claim → Evidence offered → Biblical evaluation → Gospel opportunity."

Common Objections and Pastoral Responses

When teaching **Building Your Comparison Grid**, expect pushback:

- • **"You're attacking my family tradition."** — Affirm love; distinguish people from unbiblical doctrines.
- • **"All religions are the same."** — Ask which religion accounts for sin, the cross, and the empty tomb with evidence.
- • **"That's your interpretation."** — Point to plain reading in context; invite joint Bible study.
- • **"Christians are hypocrites."** — Agree sinners fail; Christ does not. Return to the gospel.

Draft a 150-word charitable response to one objection for your quiz preparation journal.

Witness and Ministry Application

Building Your Comparison Grid equips field witness:

- • **Personal:** Repent of condescension; ask God for love for the lost.
- • **Local church:** Propose one outreach night using this lesson's topic.
- • **Conversation:** Use two questions from the book section before presenting conclusions.
- • **Follow-up:** Offer a Bible, source book chapter, or next-week coffee continuation.

Role-play assignment: 5-minute dialogue with a partner playing a seeker from the target worldview.

Discussion Questions

How does **Building Your Comparison Grid** fit the source book's overall argument?

Which scripture was most decisive for you? Why?

Where might Christians misapply this material with pride or cruelty?

How would you teach this lesson to a high school homeschool cohort?

What gospel element (sin, cross, faith, response) must not be omitted in witness?

Summary and Next Steps

Lesson 7 organized *Ten Worldviews, One Truth* material on **Building Your Comparison Grid**. Complete the module

quiz (70% to advance), update your witness or stewardship journal, and preview the next lesson's reading assignment.

Pastoral communication is part of theological training, not an optional soft skill.

Historical Figure Spotlight

Research one defender of orthodoxy related to this doctrine—Augustine, Athanasius, Luther, Calvin, Spurgeon, or a modern missionary martyr. Write 150 words on how their context shaped their emphasis. Standing on their shoulders, we inherit confessions forged in controversy. Imitate their courage and Scripture saturation, not necessarily every cultural application.

Ministry Case Study

Imagine a congregant confused about this lesson's topic after watching online teaching that contradicts historic evangelical doctrine. Draft a pastoral response email that (1) expresses empathy, (2) clarifies biblical teaching with two references, (3) invites in-person conversation, and (4) avoids condescension. Pastoral communication is part of theological training, not an optional soft skill.

Supplemental Reading and Reflection

Assign one chapter from a standard systematic theology textbook or equivalent lecture notes. Summarize the author's definitions, note where Scripture proofs appear, and evaluate whether the Bible truly supports each claim. Theology students must read widely yet judge all teaching by the Word. Write a half-page response connecting supplemental reading to this lesson's theme.

TBM-WV-101 — Lesson 10: Integration Lesson 10: Worldview Foundations: Eight Questions Framework

Introduction

Welcome to Lesson 10 of **Worldview Foundations: Eight Questions Framework**. This session covers **Integration Lesson 10: Worldview Foundations: Eight Questions Framework**,

drawn from the structure of *Ten Worldviews, One Truth* in the **Worldviews Track** track. Complete BS-FND-100 before

advanced TBM courses; AP-501 is recommended for apologetics-heavy tracks.

Twice Born Ministry book-track courses teach *from* published manuscripts — organizing chapter themes into college-level lessons without replacing the books. Purchase or borrow the source volume for full citations, charts, and extended case studies referenced in class.

Pray for wisdom and love before studying contested topics. We contend for souls, not scoring debate points (Jude 3; 1 Peter 3:15).

Book Structure and Teaching Aim

Integration Lesson 10: Worldview Foundations: Eight Questions Framework advances the source book's cumulative case. Students should identify:

- (1) the claim being tested, (2) the evidence standard applied, (3) the scripture anchor, and
- (4) the witness or stewardship application.

Chapter themes from source material:

- • > **Visual (Fig. Ch.2):**

Concept summary (paraphrase): Visual (Fig. Ch.2):
 ../assets/worldviews_flagship/fig_toolkit_eight_questions.png Borrowing from apologists like Kenneth Samples (*God Among Sages*) and W. Mark Lanier (*Religions on Trial*), we evaluate every worldview on eight categories. This framework appears in every religion chapter so you can compare at a glance.
Reader Value Box Once you memorize these eight categories, you can evaluate any new movement — from campus ideologies to social media spirituality — without starting from scratch. | | Category | What We Ask | |---|-----|-----| | 1 | History | Is the founder and founding verifiable? | | 2 | Nature of Ultimate Reality | What is God (or ultimate reality)? | | 3 | Character | What is the moral character of the divine? | |...

Do not treat lesson summaries as a substitute for reading assigned book sections. Use this module to organize notes, prepare quizzes, and rehearse gospel conversations.

Scripture Exposition

Anchor **Integration Lesson 10: Worldview Foundations: Eight Questions Framework** in the Word.
 Assigned references:

- **Isaiah 8:20** — read in context; note who speaks, to whom, and why.
- • **Acts 17:11** — read in context; note who speaks, to whom, and why.
- • **2 Timothy 3:16-17** — read in context; note who speaks, to whom, and why.

Exegesis steps: (1) Read the full paragraph. (2) Define key terms biblically. (3) Compare with clearer passages. (4) Apply to the worldview or practice under examination.

Witness Bridge

Prepare one question and one gospel statement from this lesson:

- • **Question:** "Have you ever tested that belief against Scripture alone?"
- • **Gospel bridge:** "Sin separates us from God; Christ died and rose — faith in Him is the answer."

Evidence, Logic, and Worldview Testing

Integration Lesson 10: Worldview Foundations: Eight Questions Framework uses the TBM comparative method:

State the claim clearly — no straw men.

Identify the evidence standard — history, manuscript, prophecy, archaeology, logic.

Apply internal consistency tests — does the system contradict itself?

Apply external verification — history, science where relevant, fulfilled prophecy.

Scripture verdict — Isaiah 8:20; Acts 17:11.

Write a one-page comparison chart: "Their claim → Evidence offered → Biblical evaluation → Gospel opportunity."

Common Objections and Pastoral Responses

When teaching **Integration Lesson 10: Worldview Foundations: Eight Questions Framework**, expect pushback:

- • **"You're attacking my family tradition."** — Affirm love; distinguish people from unbiblical doctrines.
- • **"All religions are the same."** — Ask which religion accounts for sin, the cross, and the empty tomb with evidence.
- • **"That's your interpretation."** — Point to plain reading in context; invite joint Bible study.
- • **"Christians are hypocrites."** — Agree sinners fail; Christ does not. Return to the gospel.

Draft a 150-word charitable response to one objection for your quiz preparation journal.

Witness and Ministry Application

Integration Lesson 10: Worldview Foundations: Eight Questions Framework equips field witness:

- • **Personal:** Repent of condescension; ask God for love for the lost.
- • **Local church:** Propose one outreach night using this lesson's topic.
- • **Conversation:** Use two questions from the book section before presenting conclusions.
- • **Follow-up:** Offer a Bible, source book chapter, or next-week coffee continuation.

Role-play assignment: 5-minute dialogue with a partner playing a seeker from the target worldview.

Discussion Questions

How does **Integration Lesson 10: Worldview Foundations: Eight Questions Framework** fit the source book's overall argument?

Which scripture was most decisive for you? Why?

Where might Christians misapply this material with pride or cruelty?

How would you teach this lesson to a high school homeschool cohort?

What gospel element (sin, cross, faith, response) must not be omitted in witness?

Summary and Next Steps

Lesson 10 organized *Ten Worldviews, One Truth* material on **Integration Lesson 10: Worldview Foundations: Eight Questions Framework**. Complete the module

quiz (70% to advance), update your witness or stewardship journal, and preview the next lesson's reading assignment.
