Course Description

TBM-WV-102: Testing Islam, Catholicism & Mormonism

Course Description

Ch 7-9; comparative method

This Layer 3 course teaches from Twice Born Ministry published apologetics — extracting structure and evidence themes without replacing the source books. Students learn to test every claim by Scripture (Isaiah 8:20) and witness with charity.

Primary source book: Ten Worldviews, One Truth

This course is part of **Layer 3 — TBM Book Track** in the Twice Born Ministry Bible School catalog.

Course Details

Learning Outcomes

Upon completion, students will be able to:

- Summarize the source book's argument structure for this course segment.
- Defend course themes with KJV scripture using literal-grammatical-historical method.
- Distinguish biblical Christianity from the worldviews or practices examined.
- Apply lessons in witness practice, research, or stewardship as assigned.
- Complete module quizzes, assignments, and final exam at 70% or higher.

Module Structure

Each lesson (8–10 modules) maps to book chapters or thematic sections. Lessons include exposition, evidence notes, witness application, discussion prompts, and aligned quizzes.

Assessment Overview

- **Module quizzes:** JSON with embedded answer keys (70% pass).
- **Assignments:** Witness practice, research papers (apologetics), or practical plans (wellness/stewardship).

- • **Group projects:** Debate teams and outreach planning where noted.
- • **Final exam:** Comprehensive written assessment.
- • **Video scripts:** 3–5 production-ready scripts including soul-winning demos for apologetics tracks.

Christian Guardrails

- • King James Bible as citation standard.
- • Oppose false doctrine; love people (Jude 22-23).
- • Source books inform structure; Scripture judges all claims.
- • Academic integrity required; AI assists study, not original witness logs.

TBM-WV-102 — Lesson 1: Islam — One God, One Prophet, One Book

Introduction

Welcome to Lesson 1 of **Testing Islam, Catholicism & Mormonism**. This session covers **Islam — One God, One Prophet, One Book**,

drawn from the structure of *Ten Worldviews, One Truth* in the **Worldviews Track** track. Complete BS-FND-100 before

advanced TBM courses; AP-501 is recommended for apologetics-heavy tracks.

Twice Born Ministry book-track courses teach *from* published manuscripts — organizing chapter themes into college-level lessons without replacing the books. Purchase or borrow the source volume for full citations, charts, and extended case studies referenced in class.

Pray for wisdom and love before studying contested topics. We contend for souls, not scoring debate points (Jude 3; 1 Peter 3:15).

Book Structure and Teaching Aim

Islam — One God, One Prophet, One Book advances the source book's cumulative case. Students should identify:

- (1) the claim being tested, (2) the evidence standard applied, (3) the scripture anchor, and
- (4) the witness or stewardship application.

Chapter themes from source material:

- • What Islam Teaches (Accurate Summary)
- • Testing the Claims
- • Eight-Category Comparison

Key passages in this section: Quran 4:157, Quran 19:28, Quran 20:85, Quran 7:124, Quran 2:106, Quran 7:54

Concept summary (paraphrase): Founder: Muhammad (c. 570–632 CE) Primary text: Quran (compiled ~650 CE under Caliph Uthman) Followers: ~1.8 billion What Islam Teaches (Accurate

Summary) - One God (Allah), no Trinity - Muhammad is the final prophet - Quran is the perfect, unchanged word of Allah - Jesus was a prophet, not divine; did not die on cross (Quran 4:157) - Salvation through submission (Islam) and good deeds weighed on judgment day Testing the Claims Manuscript evidence: Sana'a manuscript shows textual variants; Uthman ordered variant copies destroyed. Christian NT manuscripts are earlier and more numerous. Historical errors in Quran: Mary confused with Miriam (Quran 19:28); Samaritan in Moses' era (Quran 20:85); crucifixion in Pharaoh's Egypt before invention of crucifixion (Quran 7:124). Prophecy: Few...

Do not treat lesson summaries as a substitute for reading assigned book sections. Use this module to organize notes, prepare quizzes, and rehearse gospel conversations.

Scripture Exposition

Anchor **Islam — One God, One Prophet, One Book** in the Word. Assigned references:

- **Quran 4:157** — read in context; note who speaks, to whom, and why.
- • **Quran 19:28** — read in context; note who speaks, to whom, and why.
- • **Quran 20:85** — read in context; note who speaks, to whom, and why.
- • **Quran 7:124** — read in context; note who speaks, to whom, and why.

Exegesis steps: (1) Read the full paragraph. (2) Define key terms biblically. (3) Compare with clearer passages. (4) Apply to the worldview or practice under examination.

Witness Bridge

Prepare one question and one gospel statement from this lesson:

- • **Question:** "Have you ever tested that belief against Scripture alone?"
- • **Gospel bridge:** "Sin separates us from God; Christ died and rose — faith in Him is the answer."

Evidence, Logic, and Worldview Testing

Islam — One God, One Prophet, One Book uses the TBM comparative method:

State the claim clearly — no straw men.

Identify the evidence standard — history, manuscript, prophecy, archaeology, logic.

Apply internal consistency tests — does the system contradict itself?

Apply external verification — history, science where relevant, fulfilled prophecy.

Scripture verdict — Isaiah 8:20; Acts 17:11.

Write a one-page comparison chart: "Their claim → Evidence offered → Biblical evaluation → Gospel opportunity."

Common Objections and Pastoral Responses

When teaching **Islam — One God, One Prophet, One Book**, expect pushback:

- • **"You're attacking my family tradition."** — Affirm love; distinguish people from unbiblical doctrines.
- • **"All religions are the same."** — Ask which religion accounts for sin, the cross, and the empty tomb with evidence.
- • **"That's your interpretation."** — Point to plain reading in context; invite joint Bible study.
- • **"Christians are hypocrites."** — Agree sinners fail; Christ does not. Return to the gospel.

Draft a 150-word charitable response to one objection for your quiz preparation journal.

Witness and Ministry Application

Islam — One God, One Prophet, One Book equips field witness:

- • **Personal:** Repent of condescension; ask God for love for the lost.
- • **Local church:** Propose one outreach night using this lesson's topic.
- • **Conversation:** Use two questions from the book section before presenting conclusions.
- • **Follow-up:** Offer a Bible, source book chapter, or next-week coffee continuation.

Role-play assignment: 5-minute dialogue with a partner playing a seeker from the target worldview.

Discussion Questions

How does **Islam — One God, One Prophet, One Book** fit the source book's overall argument?

Which scripture was most decisive for you? Why?

Where might Christians misapply this material with pride or cruelty?

How would you teach this lesson to a high school homeschool cohort?

What gospel element (sin, cross, faith, response) must not be omitted in witness?

Summary and Next Steps

Lesson 1 organized *Ten Worldviews, One Truth* material on **Islam — One God, One Prophet, One Book**. Complete the module

quiz (70% to advance), update your witness or stewardship journal, and preview the next lesson's reading assignment.

Historical Figure Spotlight

Research one defender of orthodoxy related to this doctrine—Augustine, Athanasius, Luther, Calvin, Spurgeon, or a modern missionary martyr. Write 150 words on how their context shaped their emphasis. Standing on their shoulders, we inherit confessions forged in controversy. Imitate their courage and Scripture saturation, not necessarily every cultural application.

Worship Integration

Select a hymn or worship song rich in biblical doctrine (e.g., "Holy, Holy, Holy," "And Can It Be," "A Mighty Fortress"). Analyze its lyrics for theological accuracy in light of this lesson. Lead family worship using that hymn, reading one supporting passage before singing. Theology should enliven corporate praise, not remain abstract.

Supplemental Reading and Reflection

Assign one chapter from a standard systematic theology textbook or equivalent lecture notes. Summarize the author's definitions, note where Scripture proofs appear, and evaluate whether the Bible truly supports each claim. Theology students must read widely yet judge all teaching by the Word. Write a half-page response connecting supplemental reading to this lesson's theme.

Historical Figure Spotlight

Research one defender of orthodoxy related to this doctrine—Augustine, Athanasius, Luther, Calvin, Spurgeon, or a modern missionary martyr. Write 150 words on how their context shaped their emphasis. Standing on their shoulders, we inherit confessions forged in controversy. Imitate their courage and Scripture saturation, not necessarily every cultural application.

Ministry Case Study

Imagine a congregant confused about this lesson's topic after watching online teaching that contradicts historic evangelical doctrine. Draft a pastoral response email that (1) expresses empathy, (2) clarifies biblical teaching with two references, (3) invites in-person conversation, and (4) avoids condescension. Pastoral communication is part of theological training, not an optional soft skill.

Supplemental Reading and Reflection

Assign one chapter from a standard systematic theology textbook or equivalent lecture notes. Summarize the author's definitions, note where Scripture proofs appear, and evaluate whether the Bible truly supports each claim. Theology students must read widely yet judge all teaching by the Word. Write a half-page response connecting supplemental reading to this lesson's theme.

TBM-WV-102 — Lesson 4: Comparative Method in Practice

Introduction

Welcome to Lesson 4 of **Testing Islam, Catholicism & Mormonism**. This session covers **Comparative Method in Practice**,

drawn from the structure of *Ten Worldviews, One Truth* in the **Worldviews Track** track. Complete BS-FND-100 before

advanced TBM courses; AP-501 is recommended for apologetics-heavy tracks.

Twice Born Ministry book-track courses teach *from* published manuscripts — organizing chapter themes into college-level lessons without replacing the books. Purchase or borrow the source volume for full citations, charts, and extended case studies referenced in class.

Pray for wisdom and love before studying contested topics. We contend for souls, not scoring debate points (Jude 3; 1 Peter 3:15).

Book Structure and Teaching Aim

Comparative Method in Practice advances the source book's cumulative case. Students should identify:

- (1) the claim being tested, (2) the evidence standard applied, (3) the scripture anchor, and
- (4) the witness or stewardship application.

Do not treat lesson summaries as a substitute for reading assigned book sections. Use this module to organize notes, prepare quizzes, and rehearse gospel conversations.

Scripture Exposition

Anchor **Comparative Method in Practice** in the Word. Assigned references:

- **Isaiah 8:20** — read in context; note who speaks, to whom, and why.
- **Acts 17:11** — read in context; note who speaks, to whom, and why.
- **2 Timothy 3:16-17** — read in context; note who speaks, to whom, and why.

Exegesis steps: (1) Read the full paragraph. (2) Define key terms biblically. (3) Compare with clearer passages. (4) Apply to the worldview or practice under examination.

Witness Bridge

Prepare one question and one gospel statement from this lesson:

- • **Question:** "Have you ever tested that belief against Scripture alone?"
- • **Gospel bridge:** "Sin separates us from God; Christ died and rose — faith in Him is the answer."

Evidence, Logic, and Worldview Testing

Comparative Method in Practice uses the TBM comparative method:

State the claim clearly — no straw men.

Identify the evidence standard — history, manuscript, prophecy, archaeology, logic.

Apply internal consistency tests — does the system contradict itself?

Apply external verification — history, science where relevant, fulfilled prophecy.

Scripture verdict — Isaiah 8:20; Acts 17:11.

Write a one-page comparison chart: "Their claim → Evidence offered → Biblical evaluation → Gospel opportunity."

Common Objections and Pastoral Responses

When teaching **Comparative Method in Practice**, expect pushback:

- • **"You're attacking my family tradition."** — Affirm love; distinguish people from unbiblical doctrines.
- • **"All religions are the same."** — Ask which religion accounts for sin, the cross, and the empty tomb with evidence.
- • **"That's your interpretation."** — Point to plain reading in context; invite joint Bible study.
- • **"Christians are hypocrites."** — Agree sinners fail; Christ does not. Return to the gospel.

Draft a 150-word charitable response to one objection for your quiz preparation journal.

Witness and Ministry Application

Comparative Method in Practice equips field witness:

- • **Personal:** Repent of condescension; ask God for love for the lost.
- • **Local church:** Propose one outreach night using this lesson's topic.
- • **Conversation:** Use two questions from the book section before presenting conclusions.
- • **Follow-up:** Offer a Bible, source book chapter, or next-week coffee continuation.

Role-play assignment: 5-minute dialogue with a partner playing a seeker from the target worldview.

Discussion Questions

How does **Comparative Method in Practice** fit the source book's overall argument?

Which scripture was most decisive for you? Why?

Where might Christians misapply this material with pride or cruelty?

How would you teach this lesson to a high school homeschool cohort?

What gospel element (sin, cross, faith, response) must not be omitted in witness?

Summary and Next Steps

Lesson 4 organized *Ten Worldviews, One Truth* material on **Comparative Method in Practice**. Complete the module

quiz (70% to advance), update your witness or stewardship journal, and preview the next lesson's reading assignment.

Ministry Case Study

Imagine a congregant confused about this lesson's topic after watching online teaching that contradicts historic evangelical doctrine. Draft a pastoral response email that (1) expresses empathy, (2) clarifies biblical teaching with two references, (3) invites in-person conversation, and (4) avoids condescension. Pastoral communication is part of theological training, not an optional soft skill.

Supplemental Reading and Reflection

Assign one chapter from a standard systematic theology textbook or equivalent lecture notes. Summarize the author's definitions, note where Scripture proofs appear, and evaluate whether the Bible truly supports each claim. Theology students must read widely yet judge all teaching by the Word. Write a half-page response connecting supplemental reading to this lesson's theme.

Historical Figure Spotlight

Research one defender of orthodoxy related to this doctrine—Augustine, Athanasius, Luther, Calvin, Spurgeon, or a modern missionary martyr. Write 150 words on how their context shaped their emphasis. Standing on their shoulders, we inherit confessions forged in controversy. Imitate their courage and Scripture saturation, not necessarily every cultural application.

TBM-WV-102 — Lesson 7: Historical Verification Tests

Introduction

Welcome to Lesson 7 of **Testing Islam, Catholicism & Mormonism**. This session covers **Historical Verification Tests**,

drawn from the structure of *Ten Worldviews, One Truth* in the **Worldviews Track** track. Complete BS-FND-100 before

advanced TBM courses; AP-501 is recommended for apologetics-heavy tracks.

Twice Born Ministry book-track courses teach *from* published manuscripts — organizing chapter themes into college-level lessons without replacing the books. Purchase or borrow the source volume

for full citations, charts, and extended case studies referenced in class.

Pray for wisdom and love before studying contested topics. We contend for souls, not scoring debate points (Jude 3; 1 Peter 3:15).

Book Structure and Teaching Aim

Historical Verification Tests advances the source book's cumulative case. Students should identify:

- (1) the claim being tested, (2) the evidence standard applied, (3) the scripture anchor, and
- (4) the witness or stewardship application.

Do not treat lesson summaries as a substitute for reading assigned book sections. Use this module to organize notes, prepare quizzes, and rehearse gospel conversations.

Scripture Exposition

Anchor **Historical Verification Tests** in the Word. Assigned references:

- **Isaiah 8:20** — read in context; note who speaks, to whom, and why.
- • **Acts 17:11** — read in context; note who speaks, to whom, and why.
- • **2 Timothy 3:16-17** — read in context; note who speaks, to whom, and why.

Exegesis steps: (1) Read the full paragraph. (2) Define key terms biblically. (3) Compare with clearer passages. (4) Apply to the worldview or practice under examination.

Witness Bridge

Prepare one question and one gospel statement from this lesson:

- • **Question:** "Have you ever tested that belief against Scripture alone?"
- • **Gospel bridge:** "Sin separates us from God; Christ died and rose — faith in Him is the answer."

Evidence, Logic, and Worldview Testing

Historical Verification Tests uses the TBM comparative method:

State the claim clearly — no straw men.

Identify the evidence standard — history, manuscript, prophecy, archaeology, logic.

Apply internal consistency tests — does the system contradict itself?

Apply external verification — history, science where relevant, fulfilled prophecy.

Scripture verdict — Isaiah 8:20; Acts 17:11.

Write a one-page comparison chart: "Their claim → Evidence offered → Biblical evaluation → Gospel opportunity."

Common Objections and Pastoral Responses

When teaching **Historical Verification Tests**, expect pushback:

- • **"You're attacking my family tradition."** — Affirm love; distinguish people from unbiblical doctrines.
- • **"All religions are the same."** — Ask which religion accounts for sin, the cross, and the empty tomb with evidence.
- • **"That's your interpretation."** — Point to plain reading in context; invite joint Bible study.
- • **"Christians are hypocrites."** — Agree sinners fail; Christ does not. Return to the gospel.

Draft a 150-word charitable response to one objection for your quiz preparation journal.

Witness and Ministry Application

Historical Verification Tests equips field witness:

- • **Personal:** Repent of condescension; ask God for love for the lost.
- • **Local church:** Propose one outreach night using this lesson's topic.
- • **Conversation:** Use two questions from the book section before presenting conclusions.
- • **Follow-up:** Offer a Bible, source book chapter, or next-week coffee continuation.

Role-play assignment: 5-minute dialogue with a partner playing a seeker from the target worldview.

Discussion Questions

How does **Historical Verification Tests** fit the source book's overall argument?

Which scripture was most decisive for you? Why?

Where might Christians misapply this material with pride or cruelty?

How would you teach this lesson to a high school homeschool cohort?

What gospel element (sin, cross, faith, response) must not be omitted in witness?

Summary and Next Steps

Lesson 7 organized *Ten Worldviews, One Truth* material on **Historical Verification Tests**. Complete the module

quiz (70% to advance), update your witness or stewardship journal, and preview the next lesson's reading assignment.

Research one defender of orthodoxy related to this doctrine—Augustine, Athanasius, Luther, Calvin, Spurgeon, or a modern missionary martyr. Write 150 words on how their context shaped their emphasis. Standing on their shoulders, we inherit confessions forged in controversy. Imitate their courage and Scripture saturation, not necessarily every cultural application.

Supplemental Reading and Reflection

Assign one chapter from a standard systematic theology textbook or equivalent lecture notes. Summarize the author's definitions, note where Scripture proofs appear, and evaluate whether the Bible truly supports each claim. Theology students must read widely yet judge all teaching by the Word. Write a half-page response connecting supplemental reading to this lesson's theme.

Worship Integration

Select a hymn or worship song rich in biblical doctrine (e.g., "Holy, Holy, Holy," "And Can It Be," "A Mighty Fortress"). Analyze its lyrics for theological accuracy in light of this lesson. TBM-WV-102 — Lesson 10: Integration Lesson 10: Testing Islam, Catholicism & Mormonism

Introduction

Welcome to Lesson 10 of **Testing Islam, Catholicism & Mormonism**. This session covers **Integration Lesson 10: Testing Islam, Catholicism & Mormonism**,

drawn from the structure of *Ten Worldviews, One Truth* in the **Worldviews Track** track. Complete BS-FND-100 before

advanced TBM courses; AP-501 is recommended for apologetics-heavy tracks.

Twice Born Ministry book-track courses teach *from* published manuscripts — organizing chapter themes into college-level lessons without replacing the books. Purchase or borrow the source volume for full citations, charts, and extended case studies referenced in class.

Pray for wisdom and love before studying contested topics. We contend for souls, not scoring debate points (Jude 3; 1 Peter 3:15).

Book Structure and Teaching Aim

Integration Lesson 10: Testing Islam, Catholicism & Mormonism advances the source book's cumulative case. Students should identify:

- (1) the claim being tested, (2) the evidence standard applied, (3) the scripture anchor, and
- (4) the witness or stewardship application.

Do not treat lesson summaries as a substitute for reading assigned book sections. Use this module to organize notes, prepare quizzes, and rehearse gospel conversations.

Scripture Exposition

Anchor **Integration Lesson 10: Testing Islam, Catholicism & Mormonism** in the Word. Assigned references:

- **Isaiah 8:20** — read in context; note who speaks, to whom, and why.
- • **Acts 17:11** — read in context; note who speaks, to whom, and why.
- • **2 Timothy 3:16-17** — read in context; note who speaks, to whom, and why.

Exegesis steps: (1) Read the full paragraph. (2) Define key terms biblically. (3) Compare with clearer passages. (4) Apply to the worldview or practice under examination.

Witness Bridge

Prepare one question and one gospel statement from this lesson:

- • **Question:** "Have you ever tested that belief against Scripture alone?"
- • **Gospel bridge:** "Sin separates us from God; Christ died and rose — faith in Him is the answer."

Evidence, Logic, and Worldview Testing

Integration Lesson 10: Testing Islam, Catholicism & Mormonism uses the TBM comparative method:

State the claim clearly — no straw men.

Identify the evidence standard — history, manuscript, prophecy, archaeology, logic.

Apply internal consistency tests — does the system contradict itself?

Apply external verification — history, science where relevant, fulfilled prophecy.

Scripture verdict — Isaiah 8:20; Acts 17:11.

Write a one-page comparison chart: "Their claim → Evidence offered → Biblical evaluation → Gospel opportunity."

Common Objections and Pastoral Responses

When teaching **Integration Lesson 10: Testing Islam, Catholicism & Mormonism**, expect pushback:

- • **"You're attacking my family tradition."** — Affirm love; distinguish people from unbiblical doctrines.
- • **"All religions are the same."** — Ask which religion accounts for sin, the cross, and the empty tomb with evidence.
- • **"That's your interpretation."** — Point to plain reading in context; invite joint Bible study.
- • **"Christians are hypocrites."** — Agree sinners fail; Christ does not. Return to the gospel.

Draft a 150-word charitable response to one objection for your quiz preparation journal.

Witness and Ministry Application

Integration Lesson 10: Testing Islam, Catholicism & Mormonism equips field witness:

- • **Personal:** Repent of condescension; ask God for love for the lost.
- • **Local church:** Propose one outreach night using this lesson's topic.
- • **Conversation:** Use two questions from the book section before presenting conclusions.
- • **Follow-up:** Offer a Bible, source book chapter, or next-week coffee continuation.

Role-play assignment: 5-minute dialogue with a partner playing a seeker from the target worldview.

Discussion Questions

How does **Integration Lesson 10: Testing Islam, Catholicism & Mormonism** fit the source book's overall argument?

Which scripture was most decisive for you? Why?

Where might Christians misapply this material with pride or cruelty?

How would you teach this lesson to a high school homeschool cohort?

What gospel element (sin, cross, faith, response) must not be omitted in witness?

Summary and Next Steps

Lesson 10 organized *Ten Worldviews, One Truth* material on **Integration Lesson 10: Testing Islam, Catholicism & Mormonism**. Complete the module

quiz (70% to advance), update your witness or stewardship journal, and preview the next lesson's reading assignment.

Soli Deo gloria.

Ministry Case Study

Imagine a congregant confused about this lesson's topic after watching online teaching that contradicts historic evangelical doctrine. Draft a pastoral response email that (1) expresses empathy, (2) clarifies biblical teaching with two references, (3) invites in-person conversation, and (4) avoids condescension. Pastoral communication is part of theological training, not an optional soft skill.

Historical Figure Spotlight

Research one defender of orthodoxy related to this doctrine—Augustine, Athanasius, Luther, Calvin, Spurgeon, or a modern missionary martyr. Write 150 words on how their context shaped their emphasis. Standing on their shoulders, we inherit confessions forged in controversy. Imitate their courage and Scripture saturation, not necessarily every cultural application.

Creative Ministry Project — TBM-WV-102

Course: Testing Islam, Catholicism & Mormonism

Code: TBM-WV-102

Learning objective (Bloom's taxonomy)

Students will **create** an original ministry artifact synthesizing course themes with KJV fidelity and scholarship-gallery quality.

Overview

Complete an original **Creative Ministry Project** demonstrating what you learned in this course. Select one project type when submitting your assignment. Approved work may appear in the [Scholarship Gallery](https://twicebornministry.com/bible-school/scholarships/) so supporters can **donate toward student scholarships** — you retain credit and ownership of your work.

> This is ministry education, not a sale of intellectual property. Donations fund scholarships.

Project types

Requirements

Original work — cite all Scripture in KJV; footnote other sources.

Course connection — explicitly tie your project to at least two module themes from TBM-WV-102.

Ministry focus — aim to edify believers or reach seekers with the gospel.

Upload — submit via the **Creative Ministry Project** assignment at the end of the course; select your project type in the form.

Length guides:

- Written: 800–1500 words
- Audio/Video: see durations above
- Photography: 1–3 images + caption
- Application: working prototype + 300-word user guide

Grading rubric (100 points)

Pass: 70%

Scholarship gallery

If your project is approved, it may be listed at /bible-school/scholarships/ with a **Support this student** donation button. Supporters give toward the scholarship fund for your project type — not to purchase your content.
