#### ## Learning Outcomes

Upon completion, students will be able to:

1. Explain core concepts and vocabulary for this vocational domain at college introductory level.

2. Apply biblical ethics when secular models conflict with Kingdom priorities.
3. Complete practical assignments, scenarios, or lab exercises with documented integrity.
4. Articulate connections between vocation, stewardship, and local church ministry.
5. Pass module quizzes and capstone assessments at 70% or higher.

### ## Assessment Overview

- **Module quizzes:** JSON per module (multiple choice + short answer).
- **Assignments:** 3–4 rubric-graded projects.
- **Group projects:** 2 collaborative exercises.
- **Final exam:** Comprehensive short and extended responses.
- **Video scripts:** 3–5 instructor scripts for optional production.

### ## Christian Guardrails

- KJV citation standard; Christ-centered instruction.
- Career exploration does not replace licensure, trade apprenticeships, or professional counsel where required.
- AI tools may assist research but not replace original work or pastoral judgment.

## Course Modules

### EDD-702 — Lesson 1: Christian School Administration: Mission First

#### Introduction

Welcome to Lesson 1 of **Educational Administration & School Governance** (EDD-702). This session explores **Christian School Administration: Mission First** within the **Track B — Business / Entrepreneur** pathway at Twice Born Ministry Bible School.

This career track applies *Kingdom Capital* (TBM) themes to entrepreneurship without prosperity gospel error. When secular MBA models conflict with Scripture, students learn to choose faithfulness over shortcuts.

This is **Layer 4 — Career Tracks** content at college level (or high school dual-enrollment where noted). The King James Version remains the citation standard for all scripture. Complete BS-FND-100 or listed prerequisites before advanced modules.

Pray for wisdom before studying. Career competence without Christ-centered character produces skilled workers who build on sand. We pursue excellence **as unto the Lord** (Colossians 3:23).

#### *Christian Ethics Integration — Stewardship*

The earth is the LORD's, and the fulness thereof (Psalm 24:1, KJV). Every vocation—accounting, medicine, media, or cloud engineering—is borrowed stewardship.

Apply this principle while studying **Christian School Administration: Mission First**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

#### Core Teaching

### Theme: Christian School Administration: Mission First

A good name is rather to be chosen than great riches (Proverbs 22:1, KJV). Kingdom business ethics begin with reputation rooted in integrity, not merely quarterly metrics.

No man can serve two masters: ye cannot serve God and mammon (Matthew 6:24, KJV). Financial success without spiritual allegiance is idolatry. Stewardship disciplines keep mammon in its place.

### ### Practical Focus

Doctoral administration for Christian schools and Bible colleges: enrollment, finance, compliance, and mission integrity under board oversight.

#### **Competency targets for this lesson:**

- Define key terms and industry-standard vocabulary at introductory level.
- Identify biblical principles that govern ethical decisions in this domain.
- Complete hands-on or scenario-based exercises in assignments and quizzes.
- Connect vocational skills to local church ministry or community service where applicable.

### ### Professional Standards

Career track courses prepare students for further education, certification programs, or bi-vocational ministry—they do not replace licensure, trade union apprenticeships, CPA/legal counsel, or seminary ordination tracks unless explicitly stated in prerequisites.

## **TBM & Catalog Cross-References**

### ***Graduate-Level Expectation***

This module targets **doctoral** rigor: primary-source engagement, annotated bibliography entries, and synthesis across prior coursework. Minimum written reflection: 400 words with KJV citations.

## **Application for Vocation and Ministry**

**Christian School Administration: Mission First** should change how you work, lead, serve customers, and witness.

**Business practice:** Apply lesson concepts to a real or simulated venture. Document decisions in your Kingdom Business journal.

**Personal devotion:** Write a brief prayer connecting today's vocational theme to Christ's lordship over your schedule, income, and relationships.

**Local church:** Share one insight with your pastor, deacon team, or small group—especially where bi-vocational ministry applies.

**Evangelism:** Prepare a 60-second testimony linking honest work or digital stewardship to the gospel hope you profess.

## Lab, Scenario, or Field Exercise

**Exercise 1:** Analyze a business case where profit conflicts with truth. Write a decision memo citing Proverbs and course readings.

Document assumptions, resources consulted, and limitations. Submit via LMS with honor statement. Supervised field hours may count toward capstone portfolios where approved by cohort facilitator.

## Discussion Questions

How does **Christian School Administration: Mission First** align with Colossians 3:23 ("as to the Lord")?

What secular practice in this field most often conflicts with biblical ethics?

Which prerequisite course or TBM resource best supports this lesson?

How would you teach this topic to a high school dual-enrollment student?

What is one measurable action you will take this week based on this lesson?

## Summary and Next Steps

**Lesson 1 Summary:** We examined **Christian School Administration: Mission First** through scripture, vocational standards, and ministry application.

**Action item:** Complete the module quiz (70% to pass) and begin assignment work if due this week.

**Preview:** Continue to Lesson 2. Review SPECIALIZATION\_SOURCES.md or Kingdom Capital / TBM Marketing docs as listed in your syllabus.

*Soli Deo gloria — whether ye eat or drink, or whatsoever ye do, do all to the glory of God (1 Corinthians 10:31).*

## Ministry Case Study

Imagine a congregant confused about this lesson's topic after watching online teaching that contradicts historic evangelical doctrine. Draft a pastoral response email that (1) expresses empathy, (2) clarifies biblical teaching with two references, (3) invites in-person conversation, and (4) avoids condescension. Pastoral communication is part of theological training, not an optional soft skill.

## Supplemental Reading and Reflection

Assign one chapter from a standard systematic theology textbook or equivalent lecture notes. Summarize the author's definitions, note where Scripture proofs appear, and evaluate whether the Bible truly supports each claim. Theology students must read widely yet judge all teaching by the Word. Write a half-page response connecting supplemental reading to this lesson's theme.

## Worship Integration

Select a hymn or worship song rich in biblical doctrine (e.g., "Holy, Holy, Holy," "And Can It Be," "A Mighty Fortress"). Analyze its lyrics for theological accuracy in light of this lesson. Lead family worship using that hymn, reading one supporting passage before singing. Theology should enliven corporate praise, not remain abstract.

## Historical Figure Spotlight

Research one defender of orthodoxy related to this doctrine—Augustine, Athanasius, Luther, Calvin, Spurgeon, or a modern missionary martyr. Write 150 words on how their context shaped their emphasis. Standing on their shoulders, we inherit confessions forged in controversy. Imitate their courage and Scripture saturation, not necessarily every cultural application.

## EDD-702 — Lesson 2: Enrollment Management and Admissions Ethics

### Introduction

Welcome to Lesson 2 of **Educational Administration & School Governance** (EDD-702). This session explores **Enrollment Management and Admissions Ethics** within the **Track B — Business / Entrepreneur** pathway at Twice Born Ministry Bible School.

This career track applies *Kingdom Capital* (TBM) themes to entrepreneurship without prosperity gospel error. When secular MBA models conflict with Scripture, students learn to choose faithfulness over shortcuts.

### *Christian Ethics Integration — Truth*

Buy the truth, and sell it not (Proverbs 23:23, KJV). Financial reports, news scripts, and research data must reflect reality—not convenience.

Apply this principle while studying **Enrollment Management and Admissions Ethics**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

## EDD-702 — Lesson 3: Budgeting, Tuition, and Financial Aid Strategy

### Introduction

Welcome to Lesson 3 of **Educational Administration & School Governance** (EDD-702). This session explores **Budgeting, Tuition, and Financial Aid Strategy** within the **Track B — Business / Entrepreneur** pathway at Twice Born Ministry Bible School.

This career track applies *Kingdom Capital* (TBM) themes to entrepreneurship without prosperity gospel error. When secular MBA models conflict with Scripture, students learn to choose faithfulness over shortcuts.

Pray for wisdom before studying. Career competence without Christ-centered character produces skilled workers who build on sand. We pursue excellence **as unto the Lord** (Colossians 3:23).

### *Christian Ethics Integration — Wisdom*

If any of you lack wisdom, let him ask of God (James 1:5, KJV). Markets, laws, and technologies change; Scripture-grounded wisdom endures.

Apply this principle while studying **Budgeting, Tuition, and Financial Aid Strategy**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

### Core Teaching

### Theme: Budgeting, Tuition, and Financial Aid Strategy

No man can serve two masters: ye cannot serve God and mammon (Matthew 6:24, KJV). Financial success without spiritual allegiance is idolatry. Stewardship disciplines keep mammon in its place.

Whatsoever ye do, do it heartily, as to the Lord, and not unto men (Colossians 3:23, KJV). Vocation—whether pulpit, plumbing, or programming—is worship when offered unto Christ.

#### ### Practical Focus

Doctoral administration for Christian schools and Bible colleges: enrollment, finance, compliance, and mission integrity under board oversight.

#### Competency targets for this lesson:

- Define key terms and industry-standard vocabulary at introductory level.
- Identify biblical principles that govern ethical decisions in this domain.
- Complete hands-on or scenario-based exercises in assignments and quizzes.
- Connect vocational skills to local church ministry or community service where applicable.

#### ### Professional Standards

## Ministry Case Study

Imagine a congregant confused about this lesson's topic after watching online teaching that contradicts historic evangelical doctrine. Draft a pastoral response email that (1) expresses empathy, (2) clarifies biblical teaching with two references, (3) invites in-person conversation, and (4) avoids condescension. Pastoral communication is part of theological training, not an optional soft skill.

## Worship Integration

Select a hymn or worship song rich in biblical doctrine (e.g., "Holy, Holy, Holy," "And Can It Be," "A Mighty Fortress"). Analyze its lyrics for theological accuracy in light of this lesson. Lead family worship using that hymn, reading one supporting passage before singing. Theology should enliven corporate praise, not remain abstract.

## Historical Figure Spotlight

Research one defender of orthodoxy related to this doctrine—Augustine, Athanasius, Luther, Calvin, Spurgeon, or a modern missionary martyr. Write 150 words on how their context shaped their emphasis. Standing on their shoulders, we inherit confessions forged in controversy. Imitate their courage and Scripture saturation, not necessarily every cultural application.

## Supplemental Reading and Reflection

Assign one chapter from a standard systematic theology textbook or equivalent lecture notes. Summarize the author's definitions, note where Scripture proofs appear, and evaluate whether the

Bible truly supports each claim. Theology students must read widely yet judge all teaching by the Word. Write a half-page response connecting supplemental reading to this lesson's theme.

## EDD-702 — Lesson 4: Faculty Hiring, Evaluation, and Retention

### Introduction

Welcome to Lesson 4 of **Educational Administration & School Governance** (EDD-702). This session explores **Faculty Hiring, Evaluation, and Retention** within the **Track B — Business / Entrepreneur** pathway at Twice Born Ministry Bible School.

This career track applies *Kingdom Capital* (TBM) themes to entrepreneurship without prosperity gospel error. When secular MBA models conflict with Scripture, students learn to choose faithfulness over shortcuts.

This is **Layer 4 — Career Tracks** content at college level (or high school dual-enrollment where noted). The King James Version remains the citation standard for all scripture. Complete BS-FND-100 or listed prerequisites before advanced modules.

Pray for wisdom before studying. Career competence without Christ-centered character produces skilled workers who build on sand. We pursue excellence **as unto the Lord** (Colossians 3:23).

### *Christian Ethics Integration — Stewardship*

The earth is the LORD's, and the fulness thereof (Psalm 24:1, KJV). Every vocation—accounting, medicine, media, or cloud engineering—is borrowed stewardship.

Apply this principle while studying **Faculty Hiring, Evaluation, and Retention**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

### Core Teaching

### Theme: Faculty Hiring, Evaluation, and Retention

Whatsoever ye do, do it heartily, as to the Lord, and not unto men (Colossians 3:23, KJV). Vocation—whether pulpit, plumbing, or programming—is worship when offered unto Christ.

A good name is rather to be chosen than great riches (Proverbs 22:1, KJV). Kingdom business ethics begin with reputation rooted in integrity, not merely quarterly metrics.

#### ### Practical Focus

Doctoral administration for Christian schools and Bible colleges: enrollment, finance, compliance, and mission integrity under board oversight.

#### Competency targets for this lesson:

- Define key terms and industry-standard vocabulary at introductory level.
- Identify biblical principles that govern ethical decisions in this domain.
- Complete hands-on or scenario-based exercises in assignments and quizzes.
- Connect vocational skills to local church ministry or community service where applicable.

#### ### Professional Standards

Career track courses prepare students for further education, certification programs, or bi-vocational ministry—they do not replace licensure, trade union apprenticeships, CPA/legal counsel, or seminary ordination tracks unless explicitly stated in prerequisites.

## TBM & Catalog Cross-References

- EDD-701
- • ACC-201
- • HR-101

### *Graduate-Level Expectation*

This module targets **doctoral** rigor: primary-source engagement, annotated bibliography entries, and synthesis across prior coursework. Minimum written reflection: 400 words with KJV citations.

## Application for Vocation and Ministry

**Faculty Hiring, Evaluation, and Retention** should change how you work, lead, serve customers, and witness.

**Business practice:** Apply lesson concepts to a real or simulated venture. Document decisions in your Kingdom Business journal.

**Personal devotion:** Write a brief prayer connecting today's vocational theme to Christ's lordship over your schedule, income, and relationships.

**Local church:** Share one insight with your pastor, deacon team, or small group—especially where bi-vocational ministry applies.

**Evangelism:** Prepare a 60-second testimony linking honest work or digital stewardship to the gospel hope you profess.

## Lab, Scenario, or Field Exercise

**Exercise 4:** Analyze a business case where profit conflicts with truth. Write a decision memo citing Proverbs and course readings.

Document assumptions, resources consulted, and limitations. Submit via LMS with honor statement. Supervised field hours may count toward capstone portfolios where approved by cohort facilitator.

## Discussion Questions

How does **Faculty Hiring, Evaluation, and Retention** align with Colossians 3:23 ("as to the Lord")?

What secular practice in this field most often conflicts with biblical ethics?

Which prerequisite course or TBM resource best supports this lesson?

How would you teach this topic to a high school dual-enrollment student?

What is one measurable action you will take this week based on this lesson?

## Summary and Next Steps

**Lesson 4 Summary:** We examined **Faculty Hiring, Evaluation, and Retention** through scripture, vocational standards, and ministry application.

**Action item:** Complete the module quiz (70% to pass) and begin assignment work if due this week.

**Preview:** Continue to Lesson 5. Review SPECIALIZATION\_SOURCES.md or Kingdom Capital / TBM Marketing docs as listed in your syllabus.

*Soli Deo gloria — whether ye eat or drink, or whatsoever ye do, do all to the glory of God (1 Corinthians 10:31).*

## EDD-702 — Lesson 5: Curriculum Mapping and Assessment Systems

### Introduction

Welcome to Lesson 5 of **Educational Administration & School Governance** (EDD-702). This session explores **Curriculum Mapping and Assessment Systems** within the **Track B — Business / Entrepreneur** pathway at Twice Born Ministry Bible School.

### *Christian Ethics Integration — Truth*

Buy the truth, and sell it not (Proverbs 23:23, KJV). Financial reports, news scripts, and research data must reflect reality—not convenience.

Apply this principle while studying **Curriculum Mapping and Assessment Systems**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

## EDD-702 — Lesson 6: Mid-Course Policy Audit Workshop

### Introduction

Welcome to Lesson 6 of **Educational Administration & School Governance** (EDD-702). This session explores **Mid-Course Policy Audit Workshop** within the **Track B — Business / Entrepreneur** pathway at Twice Born Ministry Bible School.

This career track applies *Kingdom Capital* (TBM) themes to entrepreneurship without prosperity gospel error. When secular MBA models conflict with Scripture, students learn to choose faithfulness over shortcuts.

This is **Layer 4 — Career Tracks** content at college level (or high school dual-enrollment where noted). The King James Version remains the citation standard for all scripture. Complete BS-FND-100 or listed prerequisites before advanced modules.

Pray for wisdom before studying. Career competence without Christ-centered character produces skilled workers who build on sand. We pursue excellence **as unto the Lord** (Colossians 3:23).

### *Christian Ethics Integration — Wisdom*

If any of you lack wisdom, let him ask of God (James 1:5, KJV). Markets, laws, and technologies change; Scripture-grounded wisdom endures.

Apply this principle while studying **Mid-Course Policy Audit Workshop**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

### Core Teaching

### Theme: Mid-Course Policy Audit Workshop

No man can serve two masters: ye cannot serve God and mammon (Matthew 6:24, KJV). Financial success without spiritual allegiance is idolatry. Stewardship disciplines keep mammon in its place.

A good name is rather to be chosen than great riches (Proverbs 22:1, KJV). Kingdom business ethics begin with reputation rooted in integrity, not merely quarterly metrics.

### ### Practical Focus

Doctoral administration for Christian schools and Bible colleges: enrollment, finance, compliance, and mission integrity under board oversight.

#### **Competency targets for this lesson:**

- Define key terms and industry-standard vocabulary at introductory level.
- Identify biblical principles that govern ethical decisions in this domain.
- Complete hands-on or scenario-based exercises in assignments and quizzes.
- Connect vocational skills to local church ministry or community service where applicable.

### ### Professional Standards

Career track courses prepare students for further education, certification programs, or bi-vocational ministry—they do not replace licensure, trade union apprenticeships, CPA/legal counsel, or seminary ordination tracks unless explicitly stated in prerequisites.

## **TBM & Catalog Cross-References**

- EDD-701
- • ACC-201
- • HR-101

### ***Graduate-Level Expectation***

This module targets **doctoral** rigor: primary-source engagement, annotated bibliography entries, and synthesis across prior coursework. Minimum written reflection: 400 words with KJV citations.

## **Application for Vocation and Ministry**

**Mid-Course Policy Audit Workshop** should change how you work, lead, serve customers, and witness.

**Business practice:** Apply lesson concepts to a real or simulated venture. Document decisions in your Kingdom Business journal.

**Personal devotion:** Write a brief prayer connecting today's vocational theme to Christ's lordship over your schedule, income, and relationships.

**Local church:** Share one insight with your pastor, deacon team, or small group—especially where bi-vocational ministry applies.

**Evangelism:** Prepare a 60-second testimony linking honest work or digital stewardship to the gospel hope you profess.

## Lab, Scenario, or Field Exercise

**Exercise 6:** Analyze a business case where profit conflicts with truth. Write a decision memo citing Proverbs and course readings.

Document assumptions, resources consulted, and limitations. Submit via LMS with honor statement. Supervised field hours may count toward capstone portfolios where approved by cohort facilitator.

## Discussion Questions

How does **Mid-Course Policy Audit Workshop** align with Colossians 3:23 ("as to the Lord")?

What secular practice in this field most often conflicts with biblical ethics?

Which prerequisite course or TBM resource best supports this lesson?

How would you teach this topic to a high school dual-enrollment student?

What is one measurable action you will take this week based on this lesson?

## Summary and Next Steps

**Lesson 6 Summary:** We examined **Mid-Course Policy Audit Workshop** through scripture, vocational standards, and ministry application.

**Action item:** Complete the module quiz (70% to pass) and begin assignment work if due this week.

**Preview:** Continue to Lesson 7. Review SPECIALIZATION\_SOURCES.md or Kingdom Capital / TBM Marketing docs as listed in your syllabus.

## Worship Integration

Select a hymn or worship song rich in biblical doctrine (e.g., "Holy, Holy, Holy," "And Can It Be," "A Mighty Fortress"). Analyze its lyrics for theological accuracy in light of this lesson. Lead family worship using that hymn, reading one supporting passage before singing. Theology should enliven corporate praise, not remain abstract.

Lead family worship using that hymn, reading one supporting passage before singing. Theology should enliven corporate praise, not remain abstract.

## Historical Figure Spotlight

Research one defender of orthodoxy related to this doctrine—Augustine, Athanasius, Luther, Calvin, Spurgeon, or a modern missionary martyr. Write 150 words on how their context shaped their emphasis. Standing on their shoulders, we inherit confessions forged in controversy. Imitate their courage and Scripture saturation, not necessarily every cultural application.

## Ministry Case Study

Imagine a congregant confused about this lesson's topic after watching online teaching that contradicts historic evangelical doctrine. Draft a pastoral response email that (1) expresses empathy, (2) clarifies biblical teaching with two references, (3) invites in-person conversation, and (4) avoids condescension. Pastoral communication is part of theological training, not an optional soft skill.

## EDD-702 — Lesson 7: Legal Compliance and Risk Management

### Introduction

Welcome to Lesson 7 of **Educational Administration & School Governance** (EDD-702). This session explores **Legal Compliance and Risk Management** within the **Track B — Business / Entrepreneur** pathway at Twice Born Ministry Bible School.

This career track applies *Kingdom Capital* (TBM) themes to entrepreneurship without prosperity gospel error. When secular MBA models conflict with Scripture, students learn to choose faithfulness over shortcuts.

### *Christian Ethics Integration — Stewardship*

The earth is the LORD's, and the fulness thereof (Psalm 24:1, KJV). Every vocation—accounting, medicine, media, or cloud engineering—is borrowed stewardship.

Apply this principle while studying **Legal Compliance and Risk Management**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

Theology students must read widely yet judge all teaching by the Word. Write a half-page response connecting supplemental reading to this lesson's theme.

## **Historical Figure Spotlight**

Research one defender of orthodoxy related to this doctrine—Augustine, Athanasius, Luther, Calvin, Spurgeon, or a modern missionary martyr. Write 150 words on how their context shaped their emphasis. Standing on their shoulders, we inherit confessions forged in controversy. Imitate their courage and Scripture saturation, not necessarily every cultural application.

## **Worship Integration**

Select a hymn or worship song rich in biblical doctrine (e.g., "Holy, Holy, Holy," "And Can It Be," "A Mighty Fortress"). Analyze its lyrics for theological accuracy in light of this lesson. Lead family worship using that hymn, reading one supporting passage before singing. Theology should enliven corporate praise, not remain abstract.

## Supplemental Reading and Reflection

Assign one chapter from a standard systematic theology textbook or equivalent lecture notes. Summarize the author's definitions, note where Scripture proofs appear, and evaluate whether the Bible truly supports each claim. Theology students must read widely yet judge all teaching by the Word. Write a half-page response connecting supplemental reading to this lesson's theme.

# EDD-702 — Lesson 9: Parent and Community Relations

## Introduction

Welcome to Lesson 9 of **Educational Administration & School Governance** (EDD-702). This session explores **Parent and Community Relations** within the **Track B — Business / Entrepreneur** pathway at Twice Born Ministry Bible School.

This career track applies *Kingdom Capital* (TBM) themes to entrepreneurship without prosperity gospel error. When secular MBA models conflict with Scripture, students learn to choose faithfulness over shortcuts.

This is **Layer 4 — Career Tracks** content at college level (or high school dual-enrollment where noted). The King James Version remains the citation standard for all scripture. Complete BS-FND-100 or listed prerequisites before advanced modules.

Pray for wisdom before studying. Career competence without Christ-centered character produces skilled workers who build on sand. We pursue excellence **as unto the Lord** (Colossians 3:23).

## Christian Ethics Integration — Wisdom

If any of you lack wisdom, let him ask of God (James 1:5, KJV). Markets, laws, and technologies change; Scripture-grounded wisdom endures.

Apply this principle while studying **Parent and Community Relations**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

## Core Teaching

### ### Theme: Parent and Community Relations

A good name is rather to be chosen than great riches (Proverbs 22:1, KJV). Kingdom business ethics begin with reputation rooted in integrity, not merely quarterly metrics.

Whatsoever ye do, do it heartily, as to the Lord, and not unto men (Colossians 3:23, KJV). Vocation—whether pulpit, plumbing, or programming—is worship when offered unto Christ.

### ### Practical Focus

Doctoral administration for Christian schools and Bible colleges: enrollment, finance, compliance, and mission integrity under board oversight.

#### **Competency targets for this lesson:**

- Define key terms and industry-standard vocabulary at introductory level.
- Identify biblical principles that govern ethical decisions in this domain.
- Complete hands-on or scenario-based exercises in assignments and quizzes.
- Connect vocational skills to local church ministry or community service where applicable.

### ### Professional Standards

Career track courses prepare students for further education, certification programs, or bi-vocational ministry—they do not replace licensure, trade union apprenticeships, CPA/legal counsel, or seminary ordination tracks unless explicitly stated in prerequisites.

## **TBM & Catalog Cross-References**

- EDD-701
- • ACC-201
- • HR-101

### ***Graduate-Level Expectation***

This module targets **doctoral** rigor: primary-source engagement, annotated bibliography entries, and synthesis across prior coursework. Minimum written reflection: 400 words with KJV citations.

## **Application for Vocation and Ministry**

**Parent and Community Relations** should change how you work, lead, serve customers, and witness.

**Business practice:** Apply lesson concepts to a real or simulated venture. Document decisions in your Kingdom Business journal.

**Personal devotion:** Write a brief prayer connecting today's vocational theme to Christ's lordship over your schedule, income, and relationships.

**Local church:** Share one insight with your pastor, deacon team, or small group—especially where bi-vocational ministry applies.

**Evangelism:** Prepare a 60-second testimony linking honest work or digital stewardship to the gospel hope you profess.

## Lab, Scenario, or Field Exercise

**Exercise 9:** Analyze a business case where profit conflicts with truth. Write a decision memo citing Proverbs and course readings.

Document assumptions, resources consulted, and limitations. Submit via LMS with honor statement. Supervised field hours may count toward capstone portfolios where approved by cohort facilitator.

## Discussion Questions

How does **Parent and Community Relations** align with Colossians 3:23 ("as to the Lord")?

What secular practice in this field most often conflicts with biblical ethics?

Which prerequisite course or TBM resource best supports this lesson?

How would you teach this topic to a high school dual-enrollment student?

What is one measurable action you will take this week based on this lesson?

## Summary and Next Steps

**Lesson 9 Summary:** We examined **Parent and Community Relations** through scripture, vocational standards, and ministry application.

**Action item:** Complete the module quiz (70% to pass) and begin assignment work if due this week.

**Preview:** Continue to Lesson 10. Review SPECIALIZATION\_SOURCES.md or Kingdom Capital / TBM Marketing docs as listed in your syllabus.

The earth is the LORD's, and the fulness thereof (Psalm 24:1, KJV). Every vocation—accounting, medicine, media, or cloud engineering—is borrowed stewardship.

## Christian Ethics Integration — Truth

Buy the truth, and sell it not (Proverbs 23:23, KJV). Financial reports, news scripts, and research data must reflect reality—not convenience.

Apply this principle while studying **Capstone: School Governance Manual Draft**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

## Core Teaching

### Theme: Capstone: School Governance Manual Draft

A good name is rather to be chosen than great riches (Proverbs 22:1, KJV). Kingdom business ethics begin with reputation rooted in integrity, not merely quarterly metrics.

No man can serve two masters: ye cannot serve God and mammon (Matthew 6:24, KJV). Financial success without spiritual allegiance is idolatry. Stewardship disciplines keep mammon in its place.

## Application for Vocation and Ministry

**Capstone: School Governance Manual Draft** should change how you work, lead, serve customers, and witness.

**Business practice:** Apply lesson concepts to a real or simulated venture. Document decisions in your Kingdom Business journal.

**Personal devotion:** Write a brief prayer connecting today's vocational theme to Christ's lordship over your schedule, income, and relationships.

**Local church:** Share one insight with your pastor, deacon team, or small group—especially where bi-vocational ministry applies.

**Evangelism:** Prepare a 60-second testimony linking honest work or digital stewardship to the gospel hope you profess.

## Lab, Scenario, or Field Exercise

**Exercise 11:** Analyze a business case where profit conflicts with truth. Write a decision memo citing Proverbs and course readings.

Document assumptions, resources consulted, and limitations. Submit via LMS with honor statement. Supervised field hours may count toward capstone portfolios where approved by cohort facilitator.

## Discussion Questions

How does **Capstone: School Governance Manual Draft** align with Colossians 3:23 ("as to the Lord")?

What secular practice in this field most often conflicts with biblical ethics?

Which prerequisite course or TBM resource best supports this lesson?

How would you teach this topic to a high school dual-enrollment student?

What is one measurable action you will take this week based on this lesson?

## Summary and Next Steps

**Lesson 11 Summary:** We examined **Capstone: School Governance Manual Draft** through scripture, vocational standards, and ministry application.

**Action item:** Complete the module quiz (70% to pass) and begin assignment work if due this week.

**Preview:** Continue to Lesson 12. Review SPECIALIZATION\_SOURCES.md or Kingdom Capital / TBM Marketing docs as listed in your syllabus.

## Supplemental Reading and Reflection

Assign one chapter from a standard systematic theology textbook or equivalent lecture notes. Summarize the author's definitions, note where Scripture proofs appear, and evaluate whether the Bible truly supports each claim. Theology students must read widely yet judge all teaching by the Word. Write a half-page response connecting supplemental reading to this lesson's theme.

## Historical Figure Spotlight

Research one defender of orthodoxy related to this doctrine—Augustine, Athanasius, Luther, Calvin, Spurgeon, or a modern missionary martyr. Write 150 words on how their context shaped their emphasis. Standing on their shoulders, we inherit confessions forged in controversy. Imitate their courage and Scripture saturation, not necessarily every cultural application.

## Worship Integration

Select a hymn or worship song rich in biblical doctrine (e.g., "Holy, Holy, Holy," "And Can It Be," "A Mighty Fortress"). Analyze its lyrics for theological accuracy in light of this lesson. Lead family worship using that hymn, reading one supporting passage before singing. Theology should enliven corporate praise, not remain abstract.

## **Ministry Case Study**

Imagine a congregant confused about this lesson's topic after watching online teaching that contradicts historic evangelical doctrine. Draft a pastoral response email that (1) expresses empathy, (2) clarifies biblical teaching with two references, (3) invites in-person conversation, and (4) avoids condescension. Pastoral communication is part of theological training, not an optional soft skill.
