EDD-703 — Lesson 1: EdD Capstone Standards and Outcomes

Introduction

Welcome to Lesson 1 of **Doctoral Capstone in Christian Educational Leadership** (EDD-703). This session explores **EdD Capstone Standards and Outcomes** within the **Track B — Business / Entrepreneur** pathway at Twice Born Ministry Bible School.

This career track applies *Kingdom Capital* (TBM) themes to entrepreneurship without prosperity gospel error. When secular MBA models conflict with Scripture, students learn to choose faithfulness over shortcuts.

This is **Layer 4 — Career Tracks** content at college level (or high school dual-enrollment where noted). The King James Version remains the citation standard for all scripture. Complete BS-FND-100 or listed prerequisites before advanced modules.

Pray for wisdom before studying. Career competence without Christ-centered character produces skilled workers who build on sand. We pursue excellence **as unto the Lord** (Colossians 3:23).

Christian Ethics Integration — Stewardship

The earth is the LORD's, and the fulness thereof (Psalm 24:1, KJV). Every vocation—accounting, medicine, media, or cloud engineering—is borrowed stewardship.

Apply this principle while studying **EdD Capstone Standards and Outcomes**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

Core Teaching

Theme: EdD Capstone Standards and Outcomes

No man can serve two masters: ye cannot serve God and mammon (Matthew 6:24, KJV). Financial success without spiritual allegiance is idolatry. Stewardship disciplines keep mammon in its place.

A good name is rather to be chosen than great riches (Proverbs 22:1, KJV). Kingdom business ethics begin with reputation rooted in integrity, not merely quarterly metrics.

Practical Focus

Applied doctoral capstone: design, implement, and evaluate a leadership intervention in a church, school, or ministry organization.

Competency targets for this lesson:

- Define key terms and industry-standard vocabulary at introductory level.
- Identify biblical principles that govern ethical decisions in this domain.
- Complete hands-on or scenario-based exercises in assignments and quizzes.
- Connect vocational skills to local church ministry or community service where applicable.

Professional Standards

Career track courses prepare students for further education, certification programs, or bi-vocational ministry—they do not replace licensure, trade union apprenticeships, CPA/legal counsel, or seminary ordination tracks unless explicitly stated in prerequisites.

Graduate-Level Expectation

This module targets **doctoral** rigor: primary-source engagement, annotated bibliography entries, and synthesis across prior coursework. Minimum written reflection: 400 words with KJV citations.

Application for Vocation and Ministry

EdD Capstone Standards and Outcomes should change how you work, lead, serve customers, and witness.

Business practice: Apply lesson concepts to a real or simulated venture. Document decisions in your Kingdom Business journal.

Personal devotion: Write a brief prayer connecting today's vocational theme to Christ's lordship over your schedule, income, and relationships.

Local church: Share one insight with your pastor, deacon team, or small group—especially where bi-vocational ministry applies.

Evangelism: Prepare a 60-second testimony linking honest work or digital stewardship to the gospel hope you profess.

Lab, Scenario, or Field Exercise

Exercise 1: Analyze a business case where profit conflicts with truth. Write a decision memo citing Proverbs and course readings.

Document assumptions, resources consulted, and limitations. Submit via LMS with honor statement. Supervised field hours may count toward capstone portfolios where approved by cohort facilitator.

Discussion Questions

How does **EdD Capstone Standards and Outcomes** align with Colossians 3:23 ("as to the Lord")?

What secular practice in this field most often conflicts with biblical ethics?

Which prerequisite course or TBM resource best supports this lesson?

How would you teach this topic to a high school dual-enrollment student?

What is one measurable action you will take this week based on this lesson?

Summary and Next Steps

Soli Deo gloria — whether ye eat or drink, or whatsoever ye do, do all to the glory of God (1 Corinthians 10:31).

Ministry Case Study

Imagine a congregant confused about this lesson's topic after watching online teaching that contradicts historic evangelical doctrine. Draft a pastoral response email that (1) expresses empathy, (2) clarifies biblical teaching with two references, (3) invites in-person conversation, and (4) avoids condescension. Pastoral communication is part of theological training, not an optional soft skill.

Supplemental Reading and Reflection

Assign one chapter from a standard systematic theology textbook or equivalent lecture notes. Summarize the author's definitions, note where Scripture proofs appear, and evaluate whether the Bible truly supports each claim. Theology students must read widely yet judge all teaching by the Word. Write a half-page response connecting supplemental reading to this lesson's theme.

Historical Figure Spotlight

Research one defender of orthodoxy related to this doctrine—Augustine, Athanasius, Luther, Calvin, Spurgeon, or a modern missionary martyr. Write 150 words on how their context shaped their emphasis. Standing on their shoulders, we inherit confessions forged in controversy. Imitate their courage and Scripture saturation, not necessarily every cultural application.

EDD-703 — Lesson 2: Problem Identification in Educational Context

Introduction

Welcome to Lesson 2 of **Doctoral Capstone in Christian Educational Leadership** (EDD-703). This session explores **Problem Identification in Educational Context** within the **Track B — Business / Entrepreneur** pathway at Twice Born Ministry Bible School.

This career track applies *Kingdom Capital* (TBM) themes to entrepreneurship without prosperity gospel error. When secular MBA models conflict with Scripture, students learn to choose faithfulness over shortcuts.

Introduction

Welcome to Lesson 3 of **Doctoral Capstone in Christian Educational Leadership** (EDD-703). This session explores **Literature Review for Applied Leadership** within the **Track B — Business / Entrepreneur** pathway at Twice Born Ministry Bible School.

Christian Ethics Integration — Wisdom

If any of you lack wisdom, let him ask of God (James 1:5, KJV). Markets, laws, and technologies change; Scripture-grounded wisdom endures.

Summarize the author's definitions, note where Scripture proofs appear, and evaluate whether the Bible truly supports each claim. Theology students must read widely yet judge all teaching by the Word. Write a half-page response connecting supplemental reading to this lesson's theme.

Historical Figure Spotlight

Research one defender of orthodoxy related to this doctrine—Augustine, Athanasius, Luther, Calvin, Spurgeon, or a modern missionary martyr. Write 150 words on how their context shaped their emphasis. Standing on their shoulders, we inherit confessions forged in controversy. Imitate their courage and Scripture saturation, not necessarily every cultural application.

Worship Integration

Select a hymn or worship song rich in biblical doctrine (e.g., "Holy, Holy, Holy," "And Can It Be," "A Mighty Fortress"). Analyze its lyrics for theological accuracy in light of this lesson. Lead family worship using that hymn, reading one supporting passage before singing. Theology should enliven corporate praise, not remain abstract.

EDD-703 — Lesson 4: Intervention Design and Theory of Change

Introduction

Welcome to Lesson 4 of **Doctoral Capstone in Christian Educational Leadership** (EDD-703). This session explores **Intervention Design and Theory of Change** within the **Track B — Business / Entrepreneur** pathway at Twice Born Ministry Bible School.

This career track applies *Kingdom Capital* (TBM) themes to entrepreneurship without prosperity gospel error. When secular MBA models conflict with Scripture, students learn to choose faithfulness over shortcuts.

This is **Layer 4 — Career Tracks** content at college level (or high school dual-enrollment where noted). The King James Version remains the citation standard for all scripture. Complete BS-FND-100 or listed prerequisites before advanced modules.

Pray for wisdom before studying. Career competence without Christ-centered character produces skilled workers who build on sand. We pursue excellence **as unto the Lord** (Colossians 3:23).

Christian Ethics Integration — Stewardship

The earth is the LORD's, and the fulness thereof (Psalm 24:1, KJV). Every vocation—accounting, medicine, media, or cloud engineering—is borrowed stewardship.

Apply this principle while studying **Intervention Design and Theory of Change**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

Core Teaching

Theme: Intervention Design and Theory of Change

No man can serve two masters: ye cannot serve God and mammon (Matthew 6:24, KJV). Financial success without spiritual allegiance is idolatry. Stewardship disciplines keep mammon in its place.

A good name is rather to be chosen than great riches (Proverbs 22:1, KJV). Kingdom business ethics begin with reputation rooted in integrity, not merely quarterly metrics.

Practical Focus

Applied doctoral capstone: design, implement, and evaluate a leadership intervention in a church, school, or ministry organization.

Competency targets for this lesson:

- Define key terms and industry-standard vocabulary at introductory level.
- Identify biblical principles that govern ethical decisions in this domain.
- Complete hands-on or scenario-based exercises in assignments and quizzes.
- Connect vocational skills to local church ministry or community service where applicable.

Professional Standards

Career track courses prepare students for further education, certification programs, or bi-vocational ministry—they do not replace licensure, trade union apprenticeships, CPA/legal counsel, or seminary ordination tracks unless explicitly stated in prerequisites.

TBM & Catalog Cross-References

- EDD-701
- • EDD-702
- • DMIN-701

Graduate-Level Expectation

This module targets **doctoral** rigor: primary-source engagement, annotated bibliography entries, and synthesis across prior coursework. Minimum written reflection: 400 words with KJV citations.

Application for Vocation and Ministry

Intervention Design and Theory of Change should change how you work, lead, serve customers, and witness.

Business practice: Apply lesson concepts to a real or simulated venture. Document decisions in your Kingdom Business journal.

Personal devotion: Write a brief prayer connecting today's vocational theme to Christ's lordship over your schedule, income, and relationships.

Local church: Share one insight with your pastor, deacon team, or small group—especially where bi-vocational ministry applies.

Evangelism: Prepare a 60-second testimony linking honest work or digital stewardship to the gospel hope you profess.

Lab, Scenario, or Field Exercise

Exercise 4: Analyze a business case where profit conflicts with truth. Write a decision memo citing Proverbs and course readings.

Document assumptions, resources consulted, and limitations. Submit via LMS with honor statement. Supervised field hours may count toward capstone portfolios where approved by cohort facilitator.

Discussion Questions

How does **Intervention Design and Theory of Change** align with Colossians 3:23 ("as to the Lord")?

What secular practice in this field most often conflicts with biblical ethics?

Which prerequisite course or TBM resource best supports this lesson?

How would you teach this topic to a high school dual-enrollment student?

What is one measurable action you will take this week based on this lesson?

Summary and Next Steps

Lesson 4 Summary: We examined **Intervention Design and Theory of Change** through scripture, vocational standards, and ministry application.

Action item: Complete the module quiz (70% to pass) and begin assignment work if due this week.

Preview: Continue to Lesson 5. Review SPECIALIZATION_SOURCES.md or Kingdom Capital / TBM Marketing docs as listed in your syllabus.

Christian Ethics Integration — Truth

Buy the truth, and sell it not (Proverbs 23:23, KJV). Financial reports, news scripts, and research data must reflect reality—not convenience.

Apply this principle while studying **Stakeholder Engagement and Buy-In**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

Theme: Stakeholder Engagement and Buy-In

Whatsoever ye do, do it heartily, as to the Lord, and not unto men (Colossians 3:23, KJV). Vocation—whether pulpit, plumbing, or programming—is worship when offered unto Christ.

Imagine a congregant confused about this lesson's topic after watching online teaching that contradicts historic evangelical doctrine. Draft a pastoral response email that (1) expresses empathy, (2) clarifies biblical teaching with two references, (3) invites in-person conversation, and (4) avoids condescension. EDD-703 — Lesson 6: Mid-Course Capstone Proposal Defense Prep

Introduction

Welcome to Lesson 6 of **Doctoral Capstone in Christian Educational Leadership** (EDD-703). This session explores **Mid-Course Capstone Proposal Defense Prep** within the **Track B — Business / Entrepreneur** pathway at Twice Born Ministry Bible School.

This career track applies *Kingdom Capital* (TBM) themes to entrepreneurship without prosperity gospel error. When secular MBA models conflict with Scripture, students learn to choose faithfulness over

shortcuts.

This is **Layer 4 — Career Tracks** content at college level (or high school dual-enrollment where noted). The King James Version remains the citation standard for all scripture. Complete BS-FND-100 or listed prerequisites before advanced modules.

Pray for wisdom before studying. Career competence without Christ-centered character produces skilled workers who build on sand. We pursue excellence **as unto the Lord** (Colossians 3:23).

Christian Ethics Integration — Wisdom

If any of you lack wisdom, let him ask of God (James 1:5, KJV). Markets, laws, and technologies change; Scripture-grounded wisdom endures.

Apply this principle while studying **Mid-Course Capstone Proposal Defense Prep**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

Core Teaching

Theme: Mid-Course Capstone Proposal Defense Prep

A good name is rather to be chosen than great riches (Proverbs 22:1, KJV). Kingdom business ethics begin with reputation rooted in integrity, not merely quarterly metrics.

No man can serve two masters: ye cannot serve God and mammon (Matthew 6:24, KJV). Financial success without spiritual allegiance is idolatry. Stewardship disciplines keep mammon in its place.

Practical Focus

Applied doctoral capstone: design, implement, and evaluate a leadership intervention in a church, school, or ministry organization.

Competency targets for this lesson:

- Define key terms and industry-standard vocabulary at introductory level.
- Identify biblical principles that govern ethical decisions in this domain.
- Complete hands-on or scenario-based exercises in assignments and quizzes.
- Connect vocational skills to local church ministry or community service where applicable.

Professional Standards

Career track courses prepare students for further education, certification programs, or bi-vocational ministry—they do not replace licensure, trade union apprenticeships, CPA/legal counsel, or seminary ordination tracks unless explicitly stated in prerequisites.

Graduate-Level Expectation

This module targets **doctoral** rigor: primary-source engagement, annotated bibliography entries, and synthesis across prior coursework. Minimum written reflection: 400 words with KJV citations.

Application for Vocation and Ministry

Mid-Course Capstone Proposal Defense Prep should change how you work, lead, serve customers, and witness.

Business practice: Apply lesson concepts to a real or simulated venture. Document decisions in your Kingdom Business journal.

Personal devotion: Write a brief prayer connecting today's vocational theme to Christ's lordship over your schedule, income, and relationships.

Local church: Share one insight with your pastor, deacon team, or small group—especially where bi-vocational ministry applies.

Evangelism: Prepare a 60-second testimony linking honest work or digital stewardship to the gospel hope you profess.

Lab, Scenario, or Field Exercise

Exercise 6: Analyze a business case where profit conflicts with truth. Write a decision memo citing Proverbs and course readings.

Document assumptions, resources consulted, and limitations. Submit via LMS with honor statement. Supervised field hours may count toward capstone portfolios where approved by cohort facilitator.

Discussion Questions

How does **Mid-Course Capstone Proposal Defense Prep** align with Colossians 3:23 ("as to the Lord")?

What secular practice in this field most often conflicts with biblical ethics?

Which prerequisite course or TBM resource best supports this lesson?

How would you teach this topic to a high school dual-enrollment student?

What is one measurable action you will take this week based on this lesson?

Summary and Next Steps

Lesson 6 Summary: We examined **Mid-Course Capstone Proposal Defense Prep** through scripture, vocational standards, and ministry application.

Action item: Complete the module quiz (70% to pass) and begin assignment work if due this week.

Supplemental Reading and Reflection

Assign one chapter from a standard systematic theology textbook or equivalent lecture notes. Summarize the author's definitions, note where Scripture proofs appear, and evaluate whether the Bible truly supports each claim. Theology students must read widely yet judge all teaching by the Word. Write a half-page response connecting supplemental reading to this lesson's theme.

Christian Ethics Integration — Stewardship

The earth is the LORD's, and the fulness thereof (Psalm 24:1, KJV). Every vocation—accounting, medicine, media, or cloud engineering—is borrowed stewardship.

Lead family worship using that hymn, reading one supporting passage before singing. Theology should enliven corporate praise, not remain abstract.

Supplemental Reading and Reflection

Assign one chapter from a standard systematic theology textbook or equivalent lecture notes. Summarize the author's definitions, note where Scripture proofs appear, and evaluate whether the Bible truly supports each claim. Theology students must read widely yet judge all teaching by the Word. Write a half-page response connecting supplemental reading to this lesson's theme.

Ministry Case Study

Imagine a congregant confused about this lesson's topic after watching online teaching that contradicts historic evangelical doctrine. Draft a pastoral response email that (1) expresses empathy, (2) clarifies biblical teaching with two references, (3) invites in-person conversation, and (4) avoids condescension. Pastoral communication is part of theological training, not an optional soft skill.

EDD-703 — Lesson 9: Ethical Leadership in Crisis

Introduction

Welcome to Lesson 9 of **Doctoral Capstone in Christian Educational Leadership** (EDD-703). This session explores **Ethical Leadership in Crisis** within the **Track B — Business / Entrepreneur** pathway at Twice Born Ministry Bible School.

This career track applies *Kingdom Capital* (TBM) themes to entrepreneurship without prosperity gospel error. When secular MBA models conflict with Scripture, students learn to choose faithfulness over shortcuts.

This is **Layer 4 — Career Tracks** content at college level (or high school dual-enrollment where noted). The King James Version remains the citation standard for all scripture. Complete BS-FND-100 or listed prerequisites before advanced modules.

Pray for wisdom before studying. Career competence without Christ-centered character produces skilled workers who build on sand. We pursue excellence **as unto the Lord** (Colossians 3:23).

Christian Ethics Integration — Wisdom

If any of you lack wisdom, let him ask of God (James 1:5, KJV). Markets, laws, and technologies change; Scripture-grounded wisdom endures.

Apply this principle while studying **Ethical Leadership in Crisis**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

Core Teaching

Theme: Ethical Leadership in Crisis

No man can serve two masters: ye cannot serve God and mammon (Matthew 6:24, KJV). Financial success without spiritual allegiance is idolatry. Stewardship disciplines keep mammon in its place.

A good name is rather to be chosen than great riches (Proverbs 22:1, KJV). Kingdom business ethics begin with reputation rooted in integrity, not merely quarterly metrics.

Practical Focus

Applied doctoral capstone: design, implement, and evaluate a leadership intervention in a church, school, or ministry organization.

Competency targets for this lesson:

- Define key terms and industry-standard vocabulary at introductory level.
- Identify biblical principles that govern ethical decisions in this domain.
- Complete hands-on or scenario-based exercises in assignments and quizzes.
- Connect vocational skills to local church ministry or community service where applicable.

Professional Standards

Career track courses prepare students for further education, certification programs, or bi-vocational ministry—they do not replace licensure, trade union apprenticeships, CPA/legal counsel, or seminary ordination tracks unless explicitly stated in prerequisites.

TBM & Catalog Cross-References

- EDD-701
- • EDD-702
- • DMIN-701

Graduate-Level Expectation

This module targets **doctoral** rigor: primary-source engagement, annotated bibliography entries, and synthesis across prior coursework. Minimum written reflection: 400 words with KJV citations.

Application for Vocation and Ministry

Ethical Leadership in Crisis should change how you work, lead, serve customers, and witness.

Business practice: Apply lesson concepts to a real or simulated venture. Document decisions in your Kingdom Business journal.

Personal devotion: Write a brief prayer connecting today's vocational theme to Christ's lordship over your schedule, income, and relationships.

Local church: Share one insight with your pastor, deacon team, or small group—especially where bi-vocational ministry applies.

Evangelism: Prepare a 60-second testimony linking honest work or digital stewardship to the gospel hope you profess.

Lab, Scenario, or Field Exercise

Exercise 9: Analyze a business case where profit conflicts with truth. Write a decision memo citing Proverbs and course readings.

Document assumptions, resources consulted, and limitations. Submit via LMS with honor statement. Supervised field hours may count toward capstone portfolios where approved by cohort facilitator.

Discussion Questions

- How does **Ethical Leadership in Crisis** align with Colossians 3:23 ("as to the Lord")?
- What secular practice in this field most often conflicts with biblical ethics?
- Which prerequisite course or TBM resource best supports this lesson?
- How would you teach this topic to a high school dual-enrollment student?
- What is one measurable action you will take this week based on this lesson?

Summary and Next Steps

Lesson 9 Summary: We examined **Ethical Leadership in Crisis** through scripture, vocational standards, and ministry application.

Action item: Complete the module quiz (70% to pass) and begin assignment work if due this week.

Preview: Continue to Lesson 10. Review SPECIALIZATION_SOURCES.md or Kingdom Capital / TBM Marketing docs as listed in your syllabus.

The earth is the LORD's, and the fulness thereof (Psalm 24:1, KJV). Every vocation—accounting, medicine, media, or cloud engineering—is borrowed stewardship.

EDD-703 — Lesson 11: Capstone: Completed EdD Leadership Project

Introduction

Welcome to Lesson 11 of **Doctoral Capstone in Christian Educational Leadership** (EDD-703). This session explores **Capstone: Completed EdD Leadership Project** within the **Track B — Business / Entrepreneur** pathway at Twice Born Ministry Bible School.

This career track applies *Kingdom Capital* (TBM) themes to entrepreneurship without prosperity gospel error. When secular MBA models conflict with Scripture, students learn to choose faithfulness over shortcuts.

This is **Layer 4 — Career Tracks** content at college level (or high school dual-enrollment where noted). The King James Version remains the citation standard for all scripture. Complete BS-FND-100 or listed prerequisites before advanced modules.

Pray for wisdom before studying. Career competence without Christ-centered character produces skilled workers who build on sand. We pursue excellence **as unto the Lord** (Colossians 3:23).

Christian Ethics Integration — Truth

Buy the truth, and sell it not (Proverbs 23:23, KJV). Financial reports, news scripts, and research data must reflect reality—not convenience.

Apply this principle while studying **Capstone: Completed EdD Leadership Project**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

Core Teaching

Theme: Capstone: Completed EdD Leadership Project

No man can serve two masters: ye cannot serve God and mammon (Matthew 6:24, KJV). Financial success without spiritual allegiance is idolatry. Stewardship disciplines keep mammon in its place.

Whatsoever ye do, do it heartily, as to the Lord, and not unto men (Colossians 3:23, KJV). Vocation—whether pulpit, plumbing, or programming—is worship when offered unto Christ.

Practical Focus

Applied doctoral capstone: design, implement, and evaluate a leadership intervention in a church, school, or ministry organization.

Competency targets for this lesson:

- Define key terms and industry-standard vocabulary at introductory level.
- Identify biblical principles that govern ethical decisions in this domain.
- Complete hands-on or scenario-based exercises in assignments and quizzes.
- Connect vocational skills to local church ministry or community service where applicable.

Professional Standards

Career track courses prepare students for further education, certification programs, or bi-vocational ministry—they do not replace licensure, trade union apprenticeships, CPA/legal counsel, or seminary ordination tracks unless explicitly stated in prerequisites.

Graduate-Level Expectation

This module targets **doctoral** rigor: primary-source engagement, annotated bibliography entries, and synthesis across prior coursework. Minimum written reflection: 400 words with KJV citations.

Application for Vocation and Ministry

Capstone: Completed EdD Leadership Project should change how you work, lead, serve customers, and witness.

Business practice: Apply lesson concepts to a real or simulated venture. Document decisions in your Kingdom Business journal.

Personal devotion: Write a brief prayer connecting today's vocational theme to Christ's lordship over your schedule, income, and relationships.

Local church: Share one insight with your pastor, deacon team, or small group—especially where bi-vocational ministry applies.

Evangelism: Prepare a 60-second testimony linking honest work or digital stewardship to the gospel hope you profess.

Lab, Scenario, or Field Exercise

Exercise 11: Analyze a business case where profit conflicts with truth. Write a decision memo citing Proverbs and course readings.

Document assumptions, resources consulted, and limitations. Submit via LMS with honor statement. Supervised field hours may count toward capstone portfolios where approved by cohort facilitator.

Discussion Questions

How does **Capstone: Completed EdD Leadership Project** align with Colossians 3:23 ("as to the Lord")?

What secular practice in this field most often conflicts with biblical ethics?

Which prerequisite course or TBM resource best supports this lesson?

How would you teach this topic to a high school dual-enrollment student?

What is one measurable action you will take this week based on this lesson?

Summary and Next Steps

Lesson 11 Summary: We examined **Capstone: Completed EdD Leadership Project** through scripture, vocational standards, and ministry application.

Action item: Complete the module quiz (70% to pass) and begin assignment work if due this week.

Preview: Continue to Lesson 12. Review SPECIALIZATION_SOURCES.md or Kingdom Capital / TBM Marketing docs as listed in your syllabus.

Soli Deo gloria — whether ye eat or drink, or whatsoever ye do, do all to the glory of God (1 Corinthians 10:31).

Supplemental Reading and Reflection

Assign one chapter from a standard systematic theology textbook or equivalent lecture notes. Summarize the author's definitions, note where Scripture proofs appear, and evaluate whether the Bible truly supports each claim. Theology students must read widely yet judge all teaching by the Word.

Write a half-page response connecting supplemental reading to this lesson's theme.

Historical Figure Spotlight

Research one defender of orthodoxy related to this doctrine—Augustine, Athanasius, Luther, Calvin, Spurgeon, or a modern missionary martyr. Write 150 words on how their context shaped their emphasis. Standing on their shoulders, we inherit confessions forged in controversy. Imitate their courage and Scripture saturation, not necessarily every cultural application.

Ministry Case Study

Imagine a congregant confused about this lesson's topic after watching online teaching that contradicts historic evangelical doctrine. Draft a pastoral response email that (1) expresses empathy, (2) clarifies biblical teaching with two references, (3) invites in-person conversation, and (4) avoids condescension. Pastoral communication is part of theological training, not an optional soft skill.

Worship Integration

Select a hymn or worship song rich in biblical doctrine (e.g., "Holy, Holy, Holy," "And Can It Be," "A Mighty Fortress"). Analyze its lyrics for theological accuracy in light of this lesson. Lead family worship using that hymn, reading one supporting passage before singing. Theology should enliven corporate praise, not remain abstract.
