# LAW-COM-302 — Lesson 1: Introduction: Common Law Criminal Principles

## Introduction

Welcome to Lesson 1 of **Common Law Foundations: Common Law Criminal Principles** (LAW-COM-302). This session explores **Introduction: Common Law Criminal Principles** within the **Track F — Public Policy / Legal / Civic Engagement** pathway at Twice Born Ministry Bible School.

This track prepares believers for law, government, and civic leadership with Micah 6:8 justice, religious liberty defense, and Romans 13 discernment.

This is **Layer 4 — Career Tracks** content at college level (or high school dual-enrollment where noted). The King James Version remains the citation standard for all scripture. Complete BS-FND-100 or listed prerequisites before advanced modules.

Pray for wisdom before studying. Career competence without Christ-centered character produces skilled workers who build on sand. We pursue excellence **as unto the Lord** (Colossians 3:23).

### *Christian Ethics Integration —" Stewardship*

The earth is the LORD's, and the fulness thereof (Psalm 24:1, KJV). Every vocation—"accounting, medicine, media, or cloud engineering—"is borrowed stewardship.

Apply this principle while studying **Introduction: Common Law Criminal Principles**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

## Core Teaching

### Theme: Introduction: Common Law Criminal Principles

Render therefore unto Caesar the things which are Caesar's; and unto God the things that are God's (Matthew 22:21, KJV). Civic engagement demands discernment between legitimate authority and idolatrous statism.

He hath shewed thee, O man, what is good; and what doth the LORD require of thee, but to do justly, and to love mercy, and to walk humbly with thy God? (Micah 6:8, KJV). Law and government exist to restrain evil and promote justice—not to usurp God's throne.

### ### Practical Focus

College-level common law foundations — advanced ii. Rigorous skill-building with Christ-first ethics and KJV anchors. 2 Timothy 3:16-17 (KJV); Colossians 3:23 (KJV)

#### **Competency targets for this lesson:**

- Define key terms and industry-standard vocabulary at introductory level.
- Identify biblical principles that govern ethical decisions in this domain.
- Complete hands-on or scenario-based exercises in assignments and quizzes.
- Connect vocational skills to local church ministry or community service where applicable.

### ### Professional Standards

Career track courses prepare students for further education, certification programs, or bi-vocational ministry—they do not replace licensure, trade union apprenticeships, CPA/legal counsel, or seminary ordination tracks unless explicitly stated in prerequisites.

## **Application for Vocation and Ministry**

**Introduction: Common Law Criminal Principles** should change how you work, lead, serve customers, and witness.

**Pastoral practice:** Draft a ministry response, visit plan, or counseling scenario tied to this lesson. Discuss with mentor or elder board member.

**Local church:** Share one insight with your pastor, deacon team, or small group—especially where bi-vocational ministry applies.

**Evangelism:** Prepare a 60-second testimony linking honest work or digital stewardship to the gospel hope you profess.

## Lab, Scenario, or Field Exercise

**Exercise 1:** Role-play a pastoral visit, counseling intake, or board meeting scenario. Debrief using scripture and ethics checklists.

Document assumptions, resources consulted, and limitations. Submit via LMS with honor statement. Supervised field hours may count toward capstone portfolios where approved by cohort facilitator.

Research one defender of orthodoxy related to this doctrine—Augustine, Athanasius, Luther, Calvin, Spurgeon, or a modern missionary martyr. Write 150 words on how their context shaped their emphasis. Standing on their shoulders, we inherit confessions forged in controversy. Imitate their courage and Scripture saturation, not necessarily every cultural application.

## Ministry Case Study

Imagine a congregant confused about this lesson's topic after watching online teaching that contradicts historic evangelical doctrine. Draft a pastoral response email that (1) expresses empathy, (2) clarifies biblical teaching with two references, (3) invites in-person conversation, and (4) avoids condescension. Select a hymn or worship song rich in biblical doctrine (e.g., "Holy, Holy, Holy," "And Can It Be," "A Mighty Fortress"). Analyze its lyrics for theological accuracy in light of this lesson. Lead family worship using that hymn, reading one supporting passage before singing. Theology should enliven corporate praise, not remain abstract.

## Supplemental Reading and Reflection

Assign one chapter from a standard systematic theology textbook or equivalent lecture notes. Summarize the author's definitions, note where Scripture proofs appear, and evaluate whether the Bible truly supports each claim. Theology students must read widely yet judge all teaching by the Word. Write a half-page response connecting supplemental reading to this lesson's theme.

Select a hymn or worship song rich in biblical doctrine (e.g., "Holy, Holy, Holy," "And Can It Be," "A Mighty Fortress"). Analyze its lyrics for theological accuracy in light of this lesson. Lead family worship using that hymn, reading one supporting passage before singing. Theology should enliven corporate praise, not remain abstract.

# LAW-COM-302 — Lesson 4: Guided Practice II — Common Law Foundations

## Introduction

Welcome to Lesson 4 of **Common Law Foundations: Common Law Criminal Principles** (LAW-COM-302). This session explores **Guided Practice II — Common Law Foundations** within the

**Track F — Public Policy / Legal / Civic Engagement** pathway at Twice Born Ministry Bible School.

This track prepares believers for law, government, and civic leadership with Micah 6:8 justice, religious liberty defense, and Romans 13 discernment.

This is **Layer 4 — Career Tracks** content at college level (or high school dual-enrollment where noted). The King James Version remains the citation standard for all scripture. Complete BS-FND-100 or listed prerequisites before advanced modules.

Pray for wisdom before studying. Career competence without Christ-centered character produces skilled workers who build on sand. We pursue excellence **as unto the Lord** (Colossians 3:23).

***Christian Ethics Integration —" Stewardship***

The earth is the LORD's, and the fulness thereof (Psalm 24:1, KJV). Every vocation—"accounting, medicine, media, or cloud engineering—"is borrowed stewardship.

Apply this principle while studying **Guided Practice II — Common Law Foundations**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

**Core Teaching**

### Theme: Guided Practice II — Common Law Foundations

He hath shewed thee, O man, what is good; and what doth the LORD require of thee, but to do justly, and to love mercy, and to walk humbly with thy God? (Micah 6:8, KJV). Law and government exist to restrain evil and promote justice—not to usurp God's throne.

Render therefore unto Caesar the things which are Caesar's; and unto God the things that are God's (Matthew 22:21, KJV). Civic engagement demands discernment between legitimate authority and idolatrous statism.

### Practical Focus

College-level common law foundations — advanced ii. Rigorous skill-building with Christ-first ethics and KJV anchors. 2 Timothy 3:16-17 (KJV); Colossians 3:23 (KJV)

**Competency targets for this lesson:**

- Define key terms and industry-standard vocabulary at introductory level.
- Identify biblical principles that govern ethical decisions in this domain.
- Complete hands-on or scenario-based exercises in assignments and quizzes.

- Connect vocational skills to local church ministry or community service where applicable.

### ### Professional Standards

Career track courses prepare students for further education, certification programs, or bi-vocational ministry—they do not replace licensure, trade union apprenticeships, CPA/legal counsel, or seminary ordination tracks unless explicitly stated in prerequisites.

## Application for Vocation and Ministry

**Guided Practice II — Common Law Foundations** should change how you work, lead, serve customers, and witness.

**Pastoral practice:** Draft a ministry response, visit plan, or counseling scenario tied to this lesson. Discuss with mentor or elder board member.

**Personal devotion:** Write a brief prayer connecting today's vocational theme to Christ's lordship over your schedule, income, and relationships.

**Local church:** Share one insight with your pastor, deacon team, or small group—especially where bi-vocational ministry applies.

**Evangelism:** Prepare a 60-second testimony linking honest work or digital stewardship to the gospel hope you profess.

## Lab, Scenario, or Field Exercise

**Exercise 4:** Role-play a pastoral visit, counseling intake, or board meeting scenario. Debrief using scripture and ethics checklists.

Document assumptions, resources consulted, and limitations. Submit via LMS with honor statement. Supervised field hours may count toward capstone portfolios where approved by cohort facilitator.

## Discussion Questions

How does **Guided Practice II — Common Law Foundations** align with Colossians 3:23 ("as to the Lord")?

What secular practice in this field most often conflicts with biblical ethics?

Which prerequisite course or TBM resource best supports this lesson?

How would you teach this topic to a high school dual-enrollment student?

What is one measurable action you will take this week based on this lesson?

## Summary and Next Steps

**Lesson 4 Summary:** We examined **Guided Practice II — Common Law Foundations** through scripture, vocational standards, and ministry application.

**Action item:** Complete the module quiz (70% to pass) and begin assignment work if due this week.

**Preview:** Continue to Lesson 5. Review SPECIALIZATION\_SOURCES.md or Kingdom Capital / TBM Marketing docs as listed in your syllabus.

## Ministry Case Study

Imagine a congregant confused about this lesson's topic after watching online teaching that contradicts historic evangelical doctrine. Draft a pastoral response email that (1) expresses empathy, (2) clarifies biblical teaching with two references, (3) invites in-person conversation, and (4) avoids condescension. Pastoral communication is part of theological training, not an optional soft skill.

## Supplemental Reading and Reflection

Assign one chapter from a standard systematic theology textbook or equivalent lecture notes. Summarize the author's definitions, note where Scripture proofs appear, and evaluate whether the Bible truly supports each claim. Theology students must read widely yet judge all teaching by the Word. Write a half-page response connecting supplemental reading to this lesson's theme.

### **Competency targets for this lesson:**

- Define key terms and industry-standard vocabulary at introductory level.
- Identify biblical principles that govern ethical decisions in this domain.
- Complete hands-on or scenario-based exercises in assignments and quizzes.
- Connect vocational skills to local church ministry or community service where applicable.

### Professional Standards

Career track courses prepare students for further education, certification programs, or bi-vocational ministry—they do not replace licensure, trade union apprenticeships, CPA/legal counsel, or seminary ordination tracks unless explicitly stated in prerequisites.

## Application for Vocation and Ministry

**Research and Documentation Standards** should change how you work, lead, serve customers, and witness.

**Pastoral practice:** Draft a ministry response, visit plan, or counseling scenario tied to this lesson. Discuss with mentor or elder board member.

**Personal devotion:** Write a brief prayer connecting today's vocational theme to Christ's lordship over your schedule, income, and relationships.

**Local church:** Share one insight with your pastor, deacon team, or small group—especially where bi-vocational ministry applies.

**Evangelism:** Prepare a 60-second testimony linking honest work or digital stewardship to the gospel hope you profess.

## Lab, Scenario, or Field Exercise

**Exercise 7:** Role-play a pastoral visit, counseling intake, or board meeting scenario. Debrief using scripture and ethics checklists.

Document assumptions, resources consulted, and limitations. Submit via LMS with honor statement. Supervised field hours may count toward capstone portfolios where approved by cohort facilitator.

## Discussion Questions

How does **Research and Documentation Standards** align with Colossians 3:23 ("as to the Lord")?

What secular practice in this field most often conflicts with biblical ethics?

Which prerequisite course or TBM resource best supports this lesson?

How would you teach this topic to a high school dual-enrollment student?

What is one measurable action you will take this week based on this lesson?

## Summary and Next Steps

**Lesson 7 Summary:** We examined **Research and Documentation Standards** through scripture, vocational standards, and ministry application.

**Action item:** Complete the module quiz (70% to pass) and begin assignment work if due this week.

**Preview:** Continue to Lesson 8. Review SPECIALIZATION\_SOURCES.md or Kingdom Capital / TBM Marketing docs as listed in your syllabus.

## Worship Integration

Select a hymn or worship song rich in biblical doctrine (e.g., "Holy, Holy, Holy," "And Can It Be," "A Mighty Fortress"). Analyze its lyrics for theological accuracy in light of this lesson. Lead family worship using that hymn, reading one supporting passage before singing. Theology should enliven corporate praise, not remain abstract.

## Historical Figure Spotlight

Research one defender of orthodoxy related to this doctrine—Augustine, Athanasius, Luther, Calvin, Spurgeon, or a modern missionary martyr. Write 150 words on how their context shaped their emphasis. Standing on their shoulders, we inherit confessions forged in controversy. Imitate their courage and Scripture saturation, not necessarily every cultural application.

## Supplemental Reading and Reflection

Assign one chapter from a standard systematic theology textbook or equivalent lecture notes. Summarize the author's definitions, note where Scripture proofs appear, and evaluate whether the Bible truly supports each claim. Theology students must read widely yet judge all teaching by the Word. Write a half-page response connecting supplemental reading to this lesson's theme.

Imagine a congregant confused about this lesson's topic after watching online teaching that contradicts historic evangelical doctrine. Draft a pastoral response email that (1) expresses empathy, (2) clarifies biblical teaching with two references, (3) invites in-person conversation, and (4) avoids condescension. Pastoral communication is part of theological training, not an optional soft skill.

# LAW-COM-302 — Lesson 8: Advanced Techniques — Advanced II

## Introduction

Welcome to Lesson 8 of **Common Law Foundations: Common Law Criminal Principles** (LAW-COM-302). This session explores **Advanced Techniques — Advanced II** within the **Track F — Public Policy / Legal / Civic Engagement** pathway at Twice Born Ministry Bible School.

This track prepares believers for law, government, and civic leadership with Micah 6:8 justice, religious liberty defense, and Romans 13 discernment.

This is **Layer 4 — Career Tracks** content at college level (or high school dual-enrollment where noted). The King James Version remains the citation standard for all scripture. Complete BS-FND-100 or listed prerequisites before advanced modules.

Pray for wisdom before studying. Career competence without Christ-centered character produces skilled workers who build on sand. We pursue excellence **as unto the Lord** (Colossians 3:23).

### *Christian Ethics Integration —” Truth*

Buy the truth, and sell it not (Proverbs 23:23, KJV). Financial reports, news scripts, and research data must reflect reality—not convenience.

Apply this principle while studying **Advanced Techniques — Advanced II**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

## Core Teaching

### Theme: Advanced Techniques — Advanced II

Render therefore unto Caesar the things which are Caesar's; and unto God the things that are God's (Matthew 22:21, KJV). Civic engagement demands discernment between legitimate authority and idolatrous statism.

He hath shewed thee, O man, what is good; and what doth the LORD require of thee, but to do justly, and to love mercy, and to walk humbly with thy God? (Micah 6:8, KJV). Law and government exist to restrain evil and promote justice—not to usurp God's throne.

## Ministry Case Study

Imagine a congregant confused about this lesson's topic after watching online teaching that contradicts historic evangelical doctrine. Draft a pastoral response email that (1) expresses empathy, (2) clarifies biblical teaching with two references, (3) invites in-person conversation, and (4) avoids condescension. Pastoral communication is part of theological training, not an optional soft skill.

## Historical Figure Spotlight

Research one defender of orthodoxy related to this doctrine—Augustine, Athanasius, Luther, Calvin, Spurgeon, or a modern missionary martyr. Write 150 words on how their context shaped their emphasis. Standing on their shoulders, we inherit confessions forged in controversy. Imitate their courage and Scripture saturation, not necessarily every cultural application.

# LAW-COM-302 — Lesson 11: Mid-Course Integration and Review

## Introduction

Welcome to Lesson 11 of **Common Law Foundations: Common Law Criminal Principles** (LAW-COM-302). This session explores **Mid-Course Integration and Review** within the **Track F — Public Policy / Legal / Civic Engagement** pathway at Twice Born Ministry Bible School.

This track prepares believers for law, government, and civic leadership with Micah 6:8 justice, religious liberty defense, and Romans 13 discernment.

This is **Layer 4 — Career Tracks** content at college level (or high school dual-enrollment where noted). The King James Version remains the citation standard for all scripture. Complete BS-FND-100 or listed prerequisites before advanced modules.

Pray for wisdom before studying. Career competence without Christ-centered character produces skilled workers who build on sand. We pursue excellence **as unto the Lord** (Colossians 3:23).

### ***Christian Ethics Integration —” Truth***

Buy the truth, and sell it not (Proverbs 23:23, KJV). Financial reports, news scripts, and research data must reflect reality—not convenience.

Apply this principle while studying **Mid-Course Integration and Review**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

## **Core Teaching**

### ### Theme: Mid-Course Integration and Review

Render therefore unto Caesar the things which are Caesar's; and unto God the things that are God's (Matthew 22:21, KJV). Civic engagement demands discernment between legitimate authority and idolatrous statism.

He hath shewed thee, O man, what is good; and what doth the LORD require of thee, but to do justly, and to love mercy, and to walk humbly with thy God? (Micah 6:8, KJV). Law and government exist to restrain evil and promote justice—not to usurp God's throne.

### ### Practical Focus

College-level common law foundations — advanced ii. Rigorous skill-building with Christ-first ethics and KJV anchors. 2 Timothy 3:16-17 (KJV); Colossians 3:23 (KJV)

### **Competency targets for this lesson:**

- Define key terms and industry-standard vocabulary at introductory level.
- Identify biblical principles that govern ethical decisions in this domain.
- Complete hands-on or scenario-based exercises in assignments and quizzes.
- Connect vocational skills to local church ministry or community service where applicable.

### ### Professional Standards

Career track courses prepare students for further education, certification programs, or bi-vocational ministry—they do not replace licensure, trade union apprenticeships, CPA/legal counsel, or seminary ordination tracks unless explicitly stated in prerequisites.

## **TBM & Catalog Cross-References**

- BS-FND-100
- • 2 Timothy 3:16-17 (KJV)

- Colossians 3:23 (KJV)

## Application for Vocation and Ministry

**Mid-Course Integration and Review** should change how you work, lead, serve customers, and witness.

**Pastoral practice:** Draft a ministry response, visit plan, or counseling scenario tied to this lesson. Discuss with mentor or elder board member.

**Personal devotion:** Write a brief prayer connecting today's vocational theme to Christ's lordship over your schedule, income, and relationships.

**Local church:** Share one insight with your pastor, deacon team, or small group—especially where bi-vocational ministry applies.

**Evangelism:** Prepare a 60-second testimony linking honest work or digital stewardship to the gospel hope you profess.

## Lab, Scenario, or Field Exercise

**Exercise 11:** Role-play a pastoral visit, counseling intake, or board meeting scenario. Debrief using scripture and ethics checklists.

Document assumptions, resources consulted, and limitations. Submit via LMS with honor statement. Supervised field hours may count toward capstone portfolios where approved by cohort facilitator.

## Discussion Questions

How does **Mid-Course Integration and Review** align with Colossians 3:23 ("as to the Lord")?

What secular practice in this field most often conflicts with biblical ethics?

Which prerequisite course or TBM resource best supports this lesson?

How would you teach this topic to a high school dual-enrollment student?

What is one measurable action you will take this week based on this lesson?

## Summary and Next Steps

**Lesson 11 Summary:** We examined **Mid-Course Integration and Review** through scripture, vocational standards, and ministry application.

**Action item:** Complete the module quiz (70% to pass) and begin assignment work if due this week.

**Preview:** Continue to Lesson 12. Review SPECIALIZATION\_SOURCES.md or Kingdom Capital / TBM Marketing docs as listed in your syllabus.

Select a hymn or worship song rich in biblical doctrine (e.g., "Holy, Holy, Holy," "And Can It Be," "A Mighty Fortress"). Analyze its lyrics for theological accuracy in light of this lesson. Lead family worship using that hymn, reading one supporting passage before singing. Theology should enliven corporate praise, not remain abstract.

## Introduction

Welcome to Lesson 12 of **Common Law Foundations: Common Law Criminal Principles** (LAW-COM-302). This session explores **Capstone: Common Law Criminal Principles with KJV Reflection** within the **Track F — Public Policy / Legal / Civic Engagement** pathway at Twice Born Ministry Bible School.

### *Christian Ethics Integration —” Wisdom*

If any of you lack wisdom, let him ask of God (James 1:5, KJV). Markets, laws, and technologies change; Scripture-grounded wisdom endures.
