Course Modules

MBS-502 — Lesson 1: Kingdom Enterprise: Profit, Purpose, and Prophetic Witness

Introduction

Welcome to Lesson 1 of **Strategic Leadership for Kingdom Enterprise** (MBS-502). This session explores **Kingdom Enterprise: Profit, Purpose, and Prophetic Witness** within the **Track B — Business / Entrepreneur** pathway at Twice Born Ministry Bible School.

This career track applies *Kingdom Capital* (TBM) themes to entrepreneurship without prosperity gospel error. When secular MBA models conflict with Scripture, students learn to choose faithfulness over shortcuts.

This is **Layer 4 — Career Tracks** content at college level (or high school dual-enrollment where noted). The King James Version remains the citation standard for all scripture. Complete BS-FND-100 or listed prerequisites before advanced modules.

Pray for wisdom before studying. Career competence without Christ-centered character produces skilled workers who build on sand. We pursue excellence **as unto the Lord** (Colossians 3:23).

Christian Ethics Integration — Stewardship

The earth is the LORD's, and the fulness thereof (Psalm 24:1, KJV). Every vocation—accounting, medicine, media, or cloud engineering—is borrowed stewardship.

Apply this principle while studying **Kingdom Enterprise: Profit, Purpose, and Prophetic Witness**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

Core Teaching

Theme: Kingdom Enterprise: Profit, Purpose, and Prophetic Witness

A good name is rather to be chosen than great riches (Proverbs 22:1, KJV). Kingdom business ethics begin with reputation rooted in integrity, not merely quarterly metrics.

Whatsoever ye do, do it heartily, as to the Lord, and not unto men (Colossians 3:23, KJV). Vocation—whether pulpit, plumbing, or programming—is worship when offered unto Christ.

Practical Focus

Graduate strategy for mission-driven organizations: vision casting, OKRs, kingdom metrics, scaling without compromise, and entrepreneurial stewardship.

Competency targets for this lesson:

- Define key terms and industry-standard vocabulary at introductory level.
- Identify biblical principles that govern ethical decisions in this domain.
- Complete hands-on or scenario-based exercises in assignments and quizzes.
- Connect vocational skills to local church ministry or community service where applicable.

Professional Standards

Career track courses prepare students for further education, certification programs, or bi-vocational ministry—they do not replace licensure, trade union apprenticeships, CPA/legal counsel, or seminary ordination tracks unless explicitly stated in prerequisites.

Graduate-Level Expectation

This module targets **masters** rigor: primary-source engagement, annotated bibliography entries, and synthesis across prior coursework. Minimum written reflection: 400 words with KJV citations.

Application for Vocation and Ministry

Kingdom Enterprise: Profit, Purpose, and Prophetic Witness should change how you work, lead, serve customers, and witness.

Business practice: Apply lesson concepts to a real or simulated venture. Document decisions in your Kingdom Business journal.

Personal devotion: Write a brief prayer connecting today's vocational theme to Christ's lordship over your schedule, income, and relationships.

Local church: Share one insight with your pastor, deacon team, or small group—especially where bi-vocational ministry applies.

Evangelism: Prepare a 60-second testimony linking honest work or digital stewardship to the gospel hope you profess.

Lab, Scenario, or Field Exercise

Exercise 1: Analyze a business case where profit conflicts with truth. Write a decision memo citing Proverbs and course readings.

Document assumptions, resources consulted, and limitations. Submit via LMS with honor statement. Supervised field hours may count toward capstone portfolios where approved by cohort facilitator.

Discussion Questions

How does **Kingdom Enterprise: Profit, Purpose, and Prophetic Witness** align with Colossians 3:23 ("as to the Lord")?

What secular practice in this field most often conflicts with biblical ethics?

Which prerequisite course or TBM resource best supports this lesson?

How would you teach this topic to a high school dual-enrollment student?

What is one measurable action you will take this week based on this lesson?

Summary and Next Steps

Lesson 1 Summary: We examined **Kingdom Enterprise: Profit, Purpose, and Prophetic Witness** through scripture, vocational standards, and ministry application.

Action item: Complete the module quiz (70% to pass) and begin assignment work if due this week.

Soli Deo gloria — whether ye eat or drink, or whatsoever ye do, do all to the glory of God (1 Corinthians 10:31).

Worship Integration

Select a hymn or worship song rich in biblical doctrine (e.g., "Holy, Holy, Holy," "And Can It Be," "A Mighty Fortress"). Analyze its lyrics for theological accuracy in light of this lesson. Lead family worship using that hymn, reading one supporting passage before singing. Theology should enliven corporate praise, not remain abstract.

Ministry Case Study

Imagine a congregant confused about this lesson's topic after watching online teaching that contradicts historic evangelical doctrine. Draft a pastoral response email that (1) expresses empathy, (2) clarifies biblical teaching with two references, (3) invites in-person conversation, and (4) avoids condescension. Pastoral communication is part of theological training, not an optional soft skill.

Historical Figure Spotlight

Research one defender of orthodoxy related to this doctrine—Augustine, Athanasius, Luther, Calvin, Spurgeon, or a modern missionary martyr. Write 150 words on how their context shaped their emphasis. Standing on their shoulders, we inherit confessions forged in controversy. Imitate their courage and Scripture saturation, not necessarily every cultural application.

Supplemental Reading and Reflection

Assign one chapter from a standard systematic theology textbook or equivalent lecture notes. Summarize the author's definitions, note where Scripture proofs appear, and evaluate whether the Bible truly supports each claim. Theology students must read widely yet judge all teaching by the Word. Write a half-page response connecting supplemental reading to this lesson's theme.

MBS-502 — Lesson 2: Strategic Planning Frameworks for Ministries

Introduction

Welcome to Lesson 2 of **Strategic Leadership for Kingdom Enterprise** (MBS-502). This session explores **Strategic Planning Frameworks for Ministries** within the **Track B — Business / Entrepreneur** pathway at Twice Born Ministry Bible School.

This career track applies *Kingdom Capital* (TBM) themes to entrepreneurship without prosperity gospel error. When secular MBA models conflict with Scripture, students learn to choose faithfulness over shortcuts.

Christian Ethics Integration — Truth

Buy the truth, and sell it not (Proverbs 23:23, KJV). Financial reports, news scripts, and research data must reflect reality—not convenience.

Apply this principle while studying **Strategic Planning Frameworks for Ministries**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

Core Teaching

Theme: Strategic Planning Frameworks for Ministries

No man can serve two masters: ye cannot serve God and mammon (Matthew 6:24, KJV). Financial success without spiritual allegiance is idolatry. Stewardship disciplines keep mammon in its place.

Whatsoever ye do, do it heartily, as to the Lord, and not unto men (Colossians 3:23, KJV). Vocation—whether pulpit, plumbing, or programming—is worship when offered unto Christ.

MBS-502 — Lesson 4: Leadership Teams, Culture, and Covenant Values

Introduction

Welcome to Lesson 4 of **Strategic Leadership for Kingdom Enterprise** (MBS-502). This session explores **Leadership Teams, Culture, and Covenant Values** within the **Track B — Business / Entrepreneur** pathway at Twice Born Ministry Bible School.

This career track applies *Kingdom Capital* (TBM) themes to entrepreneurship without prosperity gospel error. When secular MBA models conflict with Scripture, students learn to choose faithfulness over shortcuts.

This is **Layer 4 — Career Tracks** content at college level (or high school dual-enrollment where noted). The King James Version remains the citation standard for all scripture. Complete BS-FND-100 or listed prerequisites before advanced modules.

Pray for wisdom before studying. Career competence without Christ-centered character produces skilled workers who build on sand. We pursue excellence **as unto the Lord** (Colossians 3:23).

Christian Ethics Integration — Stewardship

The earth is the LORD's, and the fulness thereof (Psalm 24:1, KJV). Every vocation—accounting, medicine, media, or cloud engineering—is borrowed stewardship.

Apply this principle while studying **Leadership Teams, Culture, and Covenant Values**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

Core Teaching

Theme: Leadership Teams, Culture, and Covenant Values

Whatsoever ye do, do it heartily, as to the Lord, and not unto men (Colossians 3:23, KJV). Vocation—whether pulpit, plumbing, or programming—is worship when offered unto Christ.

A good name is rather to be chosen than great riches (Proverbs 22:1, KJV). Kingdom business ethics begin with reputation rooted in integrity, not merely quarterly metrics.

Practical Focus

Graduate strategy for mission-driven organizations: vision casting, OKRs, kingdom metrics, scaling without compromise, and entrepreneurial stewardship.

Competency targets for this lesson:

- Define key terms and industry-standard vocabulary at introductory level.
- Identify biblical principles that govern ethical decisions in this domain.
- Complete hands-on or scenario-based exercises in assignments and quizzes.
- Connect vocational skills to local church ministry or community service where applicable.

Professional Standards

Career track courses prepare students for further education, certification programs, or bi-vocational ministry—they do not replace licensure, trade union apprenticeships, CPA/legal counsel, or seminary ordination tracks unless explicitly stated in prerequisites.

 - BUS-702
 - PM-GRANT-101

Graduate-Level Expectation

This module targets **masters** rigor: primary-source engagement, annotated bibliography entries, and synthesis across prior coursework. Minimum written reflection: 400 words with KJV citations.

Application for Vocation and Ministry

Leadership Teams, Culture, and Covenant Values should change how you work, lead, serve customers, and witness.

Business practice: Apply lesson concepts to a real or simulated venture. Document decisions in your Kingdom Business journal.

Personal devotion: Write a brief prayer connecting today's vocational theme to Christ's lordship over your schedule, income, and relationships.

Local church: Share one insight with your pastor, deacon team, or small group—especially where bi-vocational ministry applies.

Evangelism: Prepare a 60-second testimony linking honest work or digital stewardship to the gospel hope you profess.

Lab, Scenario, or Field Exercise

Exercise 4: Analyze a business case where profit conflicts with truth. Write a decision memo citing Proverbs and course readings.

Document assumptions, resources consulted, and limitations. Submit via LMS with honor statement. Supervised field hours may count toward capstone portfolios where approved by cohort facilitator.

Discussion Questions

How does **Leadership Teams, Culture, and Covenant Values** align with Colossians 3:23 ("as to the Lord")?

What secular practice in this field most often conflicts with biblical ethics?

Which prerequisite course or TBM resource best supports this lesson?

How would you teach this topic to a high school dual-enrollment student?

What is one measurable action you will take this week based on this lesson?

Summary and Next Steps

Lesson 4 Summary: We examined **Leadership Teams, Culture, and Covenant Values** through scripture, vocational standards, and ministry application.

Action item: Complete the module quiz (70% to pass) and begin assignment work if due this week.

MBS-502 — Lesson 5: Scaling Churches, Nonprofits, and Social Enterprises

Introduction

Welcome to Lesson 5 of **Strategic Leadership for Kingdom Enterprise** (MBS-502). This session explores **Scaling Churches, Nonprofits, and Social Enterprises** within the **Track B — Business / Entrepreneur** pathway at Twice Born Ministry Bible School.

Pray for wisdom before studying. Career competence without Christ-centered character produces skilled workers who build on sand. We pursue excellence **as unto the Lord** (Colossians 3:23).

Christian Ethics Integration — Truth

Buy the truth, and sell it not (Proverbs 23:23, KJV). Financial reports, news scripts, and research data must reflect reality—not convenience.

Apply this principle while studying **Scaling Churches, Nonprofits, and Social Enterprises**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

Core Teaching

Theme: Scaling Churches, Nonprofits, and Social Enterprises

Whatsoever ye do, do it heartily, as to the Lord, and not unto men (Colossians 3:23, KJV). Vocation—whether pulpit, plumbing, or programming—is worship when offered unto Christ.

No man can serve two masters: ye cannot serve God and mammon (Matthew 6:24, KJV). Financial success without spiritual allegiance is idolatry. Stewardship disciplines keep mammon in its place.

Practical Focus

Graduate strategy for mission-driven organizations: vision casting, OKRs, kingdom metrics, scaling without compromise, and entrepreneurial stewardship.

Competency targets for this lesson:

- Define key terms and industry-standard vocabulary at introductory level.

MBS-502 — Lesson 7: Partnerships, Joint Ventures, and Due Diligence

Introduction

Welcome to Lesson 7 of **Strategic Leadership for Kingdom Enterprise** (MBS-502). This session explores **Partnerships, Joint Ventures, and Due Diligence** within the **Track B — Business / Entrepreneur** pathway at Twice Born Ministry Bible School.

This career track applies *Kingdom Capital* (TBM) themes to entrepreneurship without prosperity gospel error. When secular MBA models conflict with Scripture, students learn to choose faithfulness over shortcuts.

This is **Layer 4 — Career Tracks** content at college level (or high school dual-enrollment where noted). The King James Version remains the citation standard for all scripture. Complete BS-FND-100 or listed prerequisites before advanced modules.

Pray for wisdom before studying. Career competence without Christ-centered character produces skilled workers who build on sand. We pursue excellence **as unto the Lord** (Colossians 3:23).

Christian Ethics Integration — Stewardship

The earth is the LORD's, and the fulness thereof (Psalm 24:1, KJV). Every vocation—accounting, medicine, media, or cloud engineering—is borrowed stewardship.

Apply this principle while studying **Partnerships, Joint Ventures, and Due Diligence**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

Core Teaching

Theme: Partnerships, Joint Ventures, and Due Diligence

A good name is rather to be chosen than great riches (Proverbs 22:1, KJV). Kingdom business ethics begin with reputation rooted in integrity, not merely quarterly metrics.

No man can serve two masters: ye cannot serve God and mammon (Matthew 6:24, KJV). Financial success without spiritual allegiance is idolatry. Stewardship disciplines keep mammon in its place.

Practical Focus

Graduate strategy for mission-driven organizations: vision casting, OKRs, kingdom metrics, scaling without compromise, and entrepreneurial stewardship.

Competency targets for this lesson:

- Define key terms and industry-standard vocabulary at introductory level.
- Identify biblical principles that govern ethical decisions in this domain.

- Complete hands-on or scenario-based exercises in assignments and quizzes.
- Connect vocational skills to local church ministry or community service where applicable.

Professional Standards

Career track courses prepare students for further education, certification programs, or bi-vocational ministry—they do not replace licensure, trade union apprenticeships, CPA/legal counsel, or seminary ordination tracks unless explicitly stated in prerequisites.

- • BUS-702
- • PM-GRANT-101

Graduate-Level Expectation

This module targets **masters** rigor: primary-source engagement, annotated bibliography entries, and synthesis across prior coursework. Minimum written reflection: 400 words with KJV citations.

Application for Vocation and Ministry

Partnerships, Joint Ventures, and Due Diligence should change how you work, lead, serve customers, and witness.

Business practice: Apply lesson concepts to a real or simulated venture. Document decisions in your Kingdom Business journal.

Personal devotion: Write a brief prayer connecting today's vocational theme to Christ's lordship over your schedule, income, and relationships.

Local church: Share one insight with your pastor, deacon team, or small group—especially where bi-vocational ministry applies.

Evangelism: Prepare a 60-second testimony linking honest work or digital stewardship to the gospel hope you profess.

Lab, Scenario, or Field Exercise

Exercise 7: Analyze a business case where profit conflicts with truth. Write a decision memo citing Proverbs and course readings.

Document assumptions, resources consulted, and limitations. Submit via LMS with honor statement. Supervised field hours may count toward capstone portfolios where approved by cohort facilitator.

Discussion Questions

How does **Partnerships, Joint Ventures, and Due Diligence** align with Colossians 3:23 ("as to the Lord")?

What secular practice in this field most often conflicts with biblical ethics?

Which prerequisite course or TBM resource best supports this lesson?

How would you teach this topic to a high school dual-enrollment student?

What is one measurable action you will take this week based on this lesson?

Summary and Next Steps

Lesson 7 Summary: We examined **Partnerships, Joint Ventures, and Due Diligence** through scripture, vocational standards, and ministry application.

Action item: Complete the module quiz (70% to pass) and begin assignment work if due this week.

Preview: Continue to Lesson 8. Review SPECIALIZATION_SOURCES.md or Kingdom Capital / TBM Marketing docs as listed in your syllabus.

If any of you lack wisdom, let him ask of God (James 1:5, KJV). Markets, laws, and technologies change; Scripture-grounded wisdom endures.

Whatsoever ye do, do it heartily, as to the Lord, and not unto men (Colossians 3:23, KJV). Vocation—whether pulpit, plumbing, or programming—is worship when offered unto Christ.

MBS-502 — Lesson 10: Succession and Institutional Memory

Introduction

Welcome to Lesson 10 of **Strategic Leadership for Kingdom Enterprise** (MBS-502). This session explores **Succession and Institutional Memory** within the **Track B — Business / Entrepreneur** pathway at Twice Born Ministry Bible School.

This career track applies *Kingdom Capital* (TBM) themes to entrepreneurship without prosperity gospel error. When secular MBA models conflict with Scripture, students learn to choose faithfulness over shortcuts.

This is **Layer 4 — Career Tracks** content at college level (or high school dual-enrollment where noted). The King James Version remains the citation standard for all scripture. Complete BS-FND-100 or listed prerequisites before advanced modules.

Pray for wisdom before studying. Career competence without Christ-centered character produces skilled workers who build on sand. We pursue excellence **as unto the Lord** (Colossians 3:23).

Christian Ethics Integration — Stewardship

The earth is the LORD's, and the fulness thereof (Psalm 24:1, KJV). Every vocation—accounting, medicine, media, or cloud engineering—is borrowed stewardship.

Apply this principle while studying **Succession and Institutional Memory**: document ethical decisions, cite KJV where appropriate, and identify when professional practice must yield to conscience.

Core Teaching

Theme: Succession and Institutional Memory

No man can serve two masters: ye cannot serve God and mammon (Matthew 6:24, KJV). Financial success without spiritual allegiance is idolatry. Stewardship disciplines keep mammon in its place.

Whatsoever ye do, do it heartily, as to the Lord, and not unto men (Colossians 3:23, KJV). Vocation—whether pulpit, plumbing, or programming—is worship when offered unto Christ.

Practical Focus

Graduate strategy for mission-driven organizations: vision casting, OKRs, kingdom metrics, scaling without compromise, and entrepreneurial stewardship.

Competency targets for this lesson:

- Define key terms and industry-standard vocabulary at introductory level.
- Identify biblical principles that govern ethical decisions in this domain.
- Complete hands-on or scenario-based exercises in assignments and quizzes.
- Connect vocational skills to local church ministry or community service where applicable.

Professional Standards

Career track courses prepare students for further education, certification programs, or bi-vocational ministry—they do not replace licensure, trade union apprenticeships, CPA/legal counsel, or seminary ordination tracks unless explicitly stated in prerequisites.

- • BUS-702
- • PM-GRANT-101

Graduate-Level Expectation

This module targets **masters** rigor: primary-source engagement, annotated bibliography entries, and synthesis across prior coursework. Minimum written reflection: 400 words with KJV citations.

Application for Vocation and Ministry

Succession and Institutional Memory should change how you work, lead, serve customers, and witness.

Business practice: Apply lesson concepts to a real or simulated venture. Document decisions in your Kingdom Business journal.

Personal devotion: Write a brief prayer connecting today's vocational theme to Christ's lordship over your schedule, income, and relationships.

Local church: Share one insight with your pastor, deacon team, or small group—especially where bi-vocational ministry applies.

Evangelism: Prepare a 60-second testimony linking honest work or digital stewardship to the gospel hope you profess.

Lab, Scenario, or Field Exercise

Exercise 10: Analyze a business case where profit conflicts with truth. Write a decision memo citing Proverbs and course readings.

Document assumptions, resources consulted, and limitations. Submit via LMS with honor statement. Supervised field hours may count toward capstone portfolios where approved by cohort facilitator.

Discussion Questions

How does **Succession and Institutional Memory** align with Colossians 3:23 ("as to the Lord")?

What secular practice in this field most often conflicts with biblical ethics?

Which prerequisite course or TBM resource best supports this lesson?

How would you teach this topic to a high school dual-enrollment student?

What is one measurable action you will take this week based on this lesson?

Summary and Next Steps

Lesson 10 Summary: We examined **Succession and Institutional Memory** through scripture, vocational standards, and ministry application.

Action item: Complete the module quiz (70% to pass) and begin assignment work if due this week.

Preview: Continue to Lesson 11. Review SPECIALIZATION_SOURCES.md or Kingdom Capital / TBM Marketing docs as listed in your syllabus.

Christian Ethics Integration — Truth

Buy the truth, and sell it not (Proverbs 23:23, KJV). Financial reports, news scripts, and research data must reflect reality—not convenience.

A good name is rather to be chosen than great riches (Proverbs 22:1, KJV). Kingdom business ethics begin with reputation rooted in integrity, not merely quarterly metrics.
